'PEACE A-BOMB' UNLOCKING DEEP SECRETS

Guilty!

Adolf Eichmann, who herded millions of Jews into Nazi death camps in World War II, hears a special Israeli tribunal in Jerusalem today declare him guilty of crimes against the Jews, crimes against humanity, war crimes and membership in Hitler's elite guard and security police machinery. Eichmann May Die On Gallows

Convicted On All Counts; Sentence Set Friday

JERUSALEM (AP) — Israel convicted Adolf Eichmann of "unsurpassed" crimes against the Jews and said his role in the Nazi program would be remembered "until the end of time."

The special three-man tribunal, which for four months tried the 55-year-old Gestapo lieutenant colonel, handed down its judgment today, a judgment which may bring him death on the gallows.

In a 300-page judgment which they began reading aloud in turn, the three judges determined that Eichmann was proved to be such an important cog in Hitler's machinery for destroying the Jews that he merited conviction on these major counts:

1. Crimes against the Jews.
2. Crimes against humanity.
3. War crimes.
4. Membership in the criminal Nazi SS (Elite Guard) and SD (security police) organizations.

Reading the verdict, with all its elaboration of the legal reasoning, will require several days. Sentencing is expected by Friday.

EICHMANN IS CALM

In his bullet-proof, glass-enclosed cage, Eichmann took the first blow of conviction on the major charges with aplomb. Through his horn-rimmed spectacles, he fixed a steady stare on the judges.

The court delivered an exhaustive study of the "iniquities" of the Nazi Reich and said it later would describe in detail the role Eichmann played as chief of the Gestapo's Bureau for Jewish Affairs, the man who shipped millions to their death in the extermination camps.

The tribunal, headed by Justice Moshe Landau, went to considerable length to justify its right to try Eichmann.

Regarding Eichmann's complaint that he was kidnaped, the court described at length a case in Vermont in 1935 in which a man complained he was seized in Canada and brought to justice in the United States. The Vermont Supreme Court ruled that the method of bringing the man there was unimportant. That, in effect, was what the Israeli tribunal de-

Hunger Gets Best Of Man, At Drive-In

A young Benton Harbor man required six stitches in his foot Sunday after allegedly kicking in the back door of Holly's drive-in restaurant, M-139 south. Benton township police identified the man as Gerry Smith, 303 North Stevens street.

Smith reportedly told police he waited 15 minutes in his car without being served. Witnesses said he stormed up to the building and put his foot through the glass door. He was treated at Mercy hospital. The incident occurred shortly after midnight Saturday night.

Holly manager Harvey Sievert said today he would seek restitution for the damage. There was a possibility that the intercom system used for placing orders was faulty, or that the offender did not understand its use.

Science Is Big Winner

Underground Blast Called 70% Success

By ALTON BLAKESLEE
Associated Press Science Writer

CARLSBAD, N.M. (AP)—Scientists counted blessings of knowledge from the first underground atomic "peace bomb" explosion Sunday despite the escape of a cloud of radioactive gas.

They reported 70 per cent success in getting data on major scientific programs, but major mysteries remain.

They judged the steaming radioactive cloud hadn't hurt anybody or anything, although its unexpected fallout partially blockaded nearby 300 observers.

The specially designed five-kiloton atomic device was detonated a quarter - mile underground. It was in a chamber at the end of a buttonhook tunnel dug 1,100 feet through salt rock from a vertical mine shaft. This Project Gnome hole alone cost $1 million, the total drill nearly $6 million.

A main objective was to learn what happens when a nuclear blast, equivalent to 5,000 tons of TNT, occurs in salt rock. Scientists hoped it might form a cavity partly full of molten salt and steam, and wanted to see if enough steam could be brought up to operate turbines and generate electricity.

MILD TREMORS

The earth shock produced a moderate earthquake in Carlsbad, 23 miles away, where a waitress saw "an itty-bitty Santa Claus shaking on a drug store counter." It didn't harm the Carlsbad Caverns, 34 miles west, or potash mines, kept empty of people when the blast detonated.

Seismic measurements obtained near and far may help show the difference between the "signature of an earthquake and a secret nuclear underground bomb test.

The blast apparently turned the chamber room into a leaky boiler, said Dr. Phillip Randolph, Livermore, Calif., deputy technical director of Gnome.

Somehow, the leak sent radioactive gasses up the mine shaft, a white steam turning into an invisible but quickly dying cloud of radioactive gas. A filter in the shaft head apparently stopped solid particles, said Dr. Randolph.

WASH 7 CARS

Atomic Energy Commission officials said the gas swept away over essentially unpopulated areas. But for more than three hours they blockaded the direct road to Carlsbad until radioactiv-

DINNER TUESDAY AT WHITCOMB

Brooker To Be Honored Here

Robert T. Brooker, former president of the twin cities' Whirlpool Corp., will be honored at a Tuesday evening dinner hosted by a group of friends.

John S. Stubblefield, president of Peoples State bank of St. Joseph, said today the reception and dinner will be held at 7 p.m. in the Tropical room of St. Joseph's Hotel Whitcomb.

The private hosts for the party have invited several guests, including members of the St. Joseph Improvement association and the Greater St. Joseph Community Corp., and local officers of Whirlpool Corp.

TALKS SCHEDULED

Talks will be given by Grattan Nowlen, president of the St. Joseph Improvement association, by Atty. Robert Small, president of the Twin Cities Area Chamber of Commerce, and by Mayor Tom Sparks of St. Joseph.

Lawrence B. (Larry) Sizer of Harbert, consultant to Field Enterprises, Inc., of Chicago, will be toastmaster.

Brooker resigned as president of Whirlpool early in November to become president of Chicago's Montgomery Ward & Co. Active in local affairs while a resident of the twin cities, he still is president of the Greater St. Joseph Community Corp.

UN Makes Peace Offer In Congo

U.S. Target Of Mob Action In Katanga, Belgium

By PETER GROSE

LEOPOLDVILLE, the Congo (AP) — Mobs raided the U. S. consulate in Elisabethville Sunday and stoned the U. S. embassy in Brussels as the United Nations made a peace overture to end the fighting in the secessionist Congo province now in its seventh day.

Gen. Sean McKeown, the Irish commander of the U.N. task force in the Congo, said Katanga President Moise Tshombe has lost control of his rich province and white mercenaries representing foreign interests are directing the fighting.

Gen. McKeown, on a flying visit to Elisabethville, told newsmen: "There are indications that Tshombe realizes the hopelessness of his position but we don't think he could stop the fighting even if he wanted to."

Acting U.N. Secretary-General U Thant said in New York he would welcome "any initiative that will enable us to achieve our aims as speedily and peacefully as possible." He said the U.N. aims were to restore law and order in Katanga and to "assure our freedom of movement."

DEFENSIVE ROLE

Thant and Adlai E. Stevenson, chief U.S. delegate to the United Nations, insisted the U.N. forces were fighting a defensive action without political motive. Both made clear, however, they hoped for a unified Congo.

Britain's Foreign Minister Lord Home in London called for an immediate cease-fire and urged unity negotiations between Tshombe's regime and the central Congo government in Leopoldville.

Old Santa Has A Problem In Mathematics

Time's Fleeting, Folks, And Need Is Great

"Tempus fugit," Santa murmured in Latin this morning. "Time flies," he translated, as he sighed about the seconds and minutes rapidly ticking towards Christmas while his Good Fellow fund lags a bit behind the pace needed to assure reaching its goal of $8,500.

Today's mail brought in $117.50, to boost the fund to $2,847.76 and put a mild glow into Santa's cheeks.

"Glory be, but these figures are distressing," Santa sighed. "I'm not very good at arithmetic—it's about all I can do to make sure I've got the right number of reindeer—and now I have to handle all these complicated projections and predictions.

"I got some help, though, and it looks as if my good friends from the Exchange club may have to turn in an all-out effort in their Newsie sale Friday to help me out of my dilemma."

"You see, we still need $5,652.24 to get that $8,500 to fulfill those visions of sugar plums for folks around the twin cities.

"The best the Exchange club Newsies (bless their souls) have done in the past five years was back in 1956 when they gathered $4,465.27. They've never dropped below $4,000 since then, but that was their high." Santa paused to brush aside a tear of gratitude.

HE'S WEARY

"But even if they break their record and bring in $4,500," Santa continued, "that still leaves more than $1,100 to go. Goodness, these figures exhaust me. I hope I don't get so tired before Christmas Eve."

Topping today's donors was the Barentsen Candy Co., which sent in $50 this year, adding to an impressive record of long-time help to needy families at Christmas. The Good Fellow fund supplies baskets of groceries, toys, games, and other items to help brighten the holiday for families around the twin cities.

Other receipts included $17.50 from the Civic Benefit Club; $10 from Community College, S. N. E. A.; $5 sent by Victory Chapter Unit 1, Mothers of World War II; $5 from Bob and Vivian Grove; $5 from Veterans of Foreign Wars, Twin City Post No. 1458; $5 from Sheriff Henry E. "Hank" Griese; and $20 sent along by Frank Deaner & Son, Inc.

US-12 Auto Crash Fatal To Hoosier

Dies In Hospital Saturday Night

NEW BUFFALO — Sylvester Bailey, 47, of Route 2, Box 476 A, Michigan City, Ind., died at 8 p.m. Saturday in Doctor's hospital in Michigan City where he was taken following a th vehicle smashup south of Buffalo a week ago.

Bailey's death is the 42nd traffic fatality of 1961 in Berrien county and passes the 41 mark set during 1960.

42 Auto Deaths in Berrien County in 1961

The crash occurred at 12:50 a. m. Monday, Dec. 4, on US-12, one mile south of New Buffalo.

State police from the New Buffalo post said Bailey was a passenger in a car driven by Bernie Fugate, 32, of Michigan City, who was today reported in good condition at the hospital.

Troopers said Fugate was driving the car south when he made a left turn in front of a semi-truck driven by Lawrence Kwilose, 36, of Merrionette Park, Ill.

The truck smashed into the side of the car on which Bailey was sitting.

The truck driver was not injured.

CHATTANOOGA, Tenn. (AP) — A woman telephoned Chattanooga police headquarters and asked clerk Dale Ledford: How do you report a missing husband?"

"How long has he been missing," queried Ledford.

"About three months."

"Why have you waited so long to report him missing."

"I figured he was out on a drunk. Now I'm beginning to worry."

RUSSIA HAS TROUBLES

Americans are not the only ones who should be worried about trends abroad. Khrushchev has his problems, too. Look the field over.

In Eastern and Central Europe the Communist empire is restive, only kept down by troops. In Western Europe the Communist parties are weakening, and the nations are coming together in a new community with a greater population and a greater industrial base than the Russian empire.

In the Eastern Mediterranean, Yugoslavia calls itself Communist but has successfully defied Russian leadership for 13 years. Another small state, Albania, has just been read out of the party, and does not seem to care.

In the Middle East we see Communist parties outlawed and their leaders jailed. In Southeast Asia, thought to be a particular danger spot, Communist revolts in Burma and Malaya have been put down. In the rest of Asia the Philippines have not had much Communist trouble since the end of the Huk rebellion, and Japan is growing faster economically than the Soviet Union. And while China is Communist, its policies must be alarming indeed to Khrushchev.

The above points were made recently by Harlan Cleveland, assistant secretary of state for international organization affairs. He does not mean that our troubles are over, and that Americans can forget about the rest of the world. He does mean that while things are still serious, there is no reason for us to panic.

WELL ROUNDED DEFIANCE

Old-timer Mae West had a habit of wagging her hips toward the footlights and asking in purring tones:

"Am I making myself clear, boys?"

Currently, French actress Brigitte Bardot has won fame for the same kind of candor.

Few would have thought she would ever trouble herself about politics, or try to transfer her candor to that realm.

Yet when a subersive French army organization tried to blackmail her for $10,000, she handed the blackmailing letter to the press along with her own sturdy repudiation of it. Though such demands are common today, no other prominent Frenchman had spoken out as she did.

The deserved praise she won even includes a courtly bow from the London Times. Who dares add anything to that?

MAN OF ADVENTURE

It is rather widely supposed that man's greatest adventures, at least on this earth, lie behind him. This seems unlikely when one considers the vast regions that have not yet been thoroughly explored, notably including the depths of the oceans. And if one thinks of adventures beyond this planet, there is no limit.

Certainly the spirit that motivates those who explore and seek to know will remain in demand for a long time to come. Some understanding of this spirit can be gained from the new book by Lowell Thomas, "Stir Hubert Wilkins," which tells about the greatest adventurerer of the 20th century.

Wilkins was an Australian who excelled as naturalist, meteorologist, writer, teacher, hunter, engineer navigator lecturer newspaper correspondent. All these talents combined to make him one of the greatest of polar explorers.

Wilkins had a dazzling array of "firsts." He took the first movie ever shot from an aircraft and the first unfaked movies of battle, in the 1912 Balkan war. He was the first to go under the polar ice in a submarine. He made the first inland flight in the Antarctic discovering new lands.

In between times he fought with distinction in the Australian army in World War I. At his death in 1958 he was working as adviser to the U. S. Army's Research and Development Section. His career epitomizes the sort of quality and character that have sustained men through great adventures, and will again.

UPSIDE DOWN ART

Only a cad would do more than lightly twit officials of New York's Museum of Modern Art for having permitted a Matisse painting to hang upside down for 47 days. They must surely have suffered enough since their error was revealed.

Besides, there was some excuse for the mistake. The gouache in question, like a number of others done by the renowned French artist in his later years, bore no signature. Anyone who has even been called upon to hang contemporary paintings knows that the usual signature in the lower right hand corner is an invaluable guide. Without it, lots of paintings might be hung upside down.

The cynic may observe that this wouldn't hurt some paintings a bit — and that some would positively be improved by such treatment. There is some truth in this. In some cases only the artist knows which side is up, and even the artist may have some doubts about the matter after a time.

It is not fair to lump Matisse with such fellows, however. He always knew precisely what he was doing. The work in question was difficult for the museum folk because it depicted a sailboat and its reflection. Matisse put his principal motif at the top, as it would be in nature, and when museum officials looked at it more carefully they recognized this at once. But they could not be blamed for wishing that the old master had taken the trouble to add his signature in the usual place.

A NEW SOVIET THREAT

It comes as no surprise at all that the Soviet government has now declared in an official statement: We will resume nuclear testing unless the Western powers halt all such tests. It was entirely predictable that the Kremlin would thus seek to place the onus of further testing on the West.

There is, fortunately, considerable reason to doubt that this will be an effective propaganda move. Having blatantly attempted to terrorize the world with a resumption of testing that included the largest bomb ever set off, Russia will now have a hard time persuading the world that the West is the villain in the piece. The villainy of the Soviet government was emphatically underscored when it went ahead with explosion of its 50-megaton bomb despite a United Nations plea to desist.

Although the United States also has resumed testing since the Russians broke off the Geneva negotiations, this country has scrupulously refrained from testing in the atmosphere. Our tests have been underground, and thus have not added to the atmospheric poisoning. We have yet to face the decision whether to resume testing in the atmosphere, which President Kennedy has said would be done if it was considered necessary to national security.

There may be a certain amount of bluff in the Soviet position. Russia may not make any further tests, even though we keep on with underground blasts. That is something to hope for, but not to count on. One thing is sure: If considerations of security prompt our government to resume atmospheric testing, that will be a sad day for us and for the rest of the world. The present situation once again spotlights the urgency of continuing to strive for a controlled ban on nuclear weapons testing.

These Days

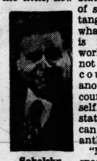
SHOT AND SHELL!

Opening an address at Wilson College, Clare Boothe Luce said: "Today the two strongest nations in the world are drawn up in full battle array, facing one another across half the world. Their bombs testing in air, their rockets' red glare, seem proof to the world that war may be near."

It is not only the great powers that shoot at each other, but the little, new states, even parts of states like Katanga, fight for what they believe is freedom. The world is at war not only one country with another but each country within itself. Mrs. Luce states the American case brilliantly:



"Morality in respect of force consisted in not striking the first military blow. Conversely, any nation who struck the first military blow against America, ipso facto established its own immorality.

"Consequently, the only moral casus bellum, or cause of war, which the public will has fully supported is the initiation of war on the United States. For almost a century, statesmanship has been constrained, diplomacy has been confined, and patriotism itself has been defined, by the moral necessity of waiting for Pearl Harbors."

* * *

But we are no longer living in a moral world. Perhaps the most significant achievement of the middle of the 20th century was the overthrow of morality, the renunciation of moral law and the acceptance again of the rule of the jungle, namely, that he is right who has the will to declare himself to be right and to impose that will upon the earth. Soviet Russia gathers the forces of strength and power from its doctrine of historic inevitability.

Against that, the President has to establish a renewed moral concept among the American people. Already he has spoken of physical fitness, but to be truly effective, he must become a moral leader. He must be a high priest of principle. He must be one who not only serves but who leads.

Clare Luce put it this way:

"Let me give you an elegant historical example of wise American statesmanship: The proclamation of the Monroe Doctrine, on December 2nd, 1823. This was a clearly stated political and diplomatic warning to all the nations of the world that the United States would rapidly raise armies to fight any nation which, for any reason good or bad, sought any conquest in this hemisphere. We said, in effect, that we would not wait until a conflict situation, involving a European power, developed in South America to determine whether our interests were affected. And we certainly would not wait until we ourselves were hit. We would, on the contrary, act at the first sign of European aggression in our hemisphere."

* * *

This is precisely what our Presidnet faces. Dares he to say that no Communist state will be established on the American continent and that if any European or Asiatic power attempts to establish such a state, we will fight?

The leader among us who will have the courage to meet this issue straight-forward and without fear will not only be respected but loved by our people who hate war but do not fear death.

Again Mrs. Luce warns the enemy:

"Our attitude in 1945 that it was immoral to alert the Russians to the fact that we might strike first unless a real peace could be negotiated, our long refusal even to warn an avowed enemy, an enemy whose intention to bury us and the free world had been clear from the beginning, had paralyzed our diplomacy, saw 600 millions of peoples dragged into slavery behind the Iron Curtain, intensified the cold war throughout the world, neutralized many countries, brought Russian power to our very own shores in Cuba, left us hurt and humiliated before Castro — and now has at long last carried the whole sufered this year as members of Northwestern university's naval officers training corps, which is one of the six college naval units in the country.

Women are more courageous when they face realistic dangers and this nation has never before encountered a danger as great and as threatening as that which we face today — a danger not only to our political existence but to our civilization.

Club Twenty Plans Yule Sale Dec. 16

BRIDGMAN—Club Twenty made final plans for the Christmas sale it will hold on Dec. 16 at the former Bun Baldwin building in Bridgman when it met recently at the home of Mrs. Fred Essig.

The sale will begin at 9:30 a.m. Articles on sale will include baked goods, gift items, Christmas decorations and handiworks.

The group voted to donate money to the Community Welfare fund, Girl's Town, CARE, state nursing scholarship and the Berrien County Nurse's Scholarship fund.

Mrs. Charles VanHellen was appointed corresponding secretary and Mrs. William Hannah was named to serve on the ways and means committee. Both will serve for the rest of the club year.

Instead of sending Christmas cards to club members the group voted to donate 50c towards the printing of the club's revised constitution.

It was decided to decorate the business district's planter boxes with a holiday motif.

Mrs. Wade Shuler of Baroda presented the program for the evening. She demonstrated Christmas articles.

The next meeting will be on Dec. 20 with Mrs. Leonard Sielter as hostess.

COLOMA—With the building of two new homes, a garage and an accessory building, Coloma township's building pace this year reached 158 permits with a total value of $641,975.

Inspector Richard Pearson listed these latest permits:

William Semand, split-level 26 x 60 home on Indian Lane, $17,500; a 28 x 36 home for Fred Stockton on Hagar Shore road, $10,000; a garage of 22 x 24 on Paw Paw Island No. 2 for Mark Johnson, $1,100; a 12 x 12 accessory building on Paw Paw Lake road for Jack Collinson, $150; and new siding on the Roy Mattes home on Red Arrow highway for $250.

Careful Drivers Hurt Library

MONROE (AP) — The Monroe County Library Board says it must cut back its services next year because of a decrease in traffic violations. The Library Board gets most of its revenue from traffic fines. A spokesman for the board said the new Detroit-Toledo Expressway and the new US 23 Expressway allowed drivers to bypass the Monroe area where most of the traffic violators were caught.

Calls Fight Against Bias Fulltime Job

Unitarians Wind Up Race Series

The liberal Christian, by applying his beliefs as an individual citizen in the critical area of race relations, can work toward the fulfillment of the American dream.

"We are but one kind — the human kind. We are but one race — the human race."

Roger F. Greeley, minister of the Peoples (Unitarian) church of Kalamazoo, last night gave this advice to members of the Unitarian Fellowship, Berrien county, in the Cove of the YWCA, St. Joseph.

"We must extend for others, without any additional qualifications, rights that we ourselves enjoy," he said.

COMPLETES SERIES

Greeley's talk last evening concludes a three-part series sponsored by the local Unitarian Fellowship on the subjects of brotherhood, integration and discrimination at the local and national level.

Defining prejudice as a feeling and discrimination as an act, Greeley, who received his Master of Arts degree from Boston University, asked:

"What do we stand for as a nation? Is it purely self-aggrandizement?"

He said the individual, if he really believes in democratic ideals, must be willing to forego personal advantages in business and society by working toward racial equality wherever he finds it — in housing, in jobs, in restaurants, anywhere.

PERSISTENCY VITAL

Greeley warned that the individual's acts will not be sensational or dramatic in the usual sense — but they must be persistent in order to achieve long-term gains.

"We who are free must be free to win for others their freedom," he said.

It is obligatory on the part of the Christian liberal, Greeley continued, to follow the laws of reciprocality in social relations, and to act always as if a minority group were looking over his shoulder.

"There is no half-way point in working for integrity," he stated.

Greeley traced the history of slavery in America from its colonial beginnings to the Civil War.

FORM OF SLAVERY

Today, he said, a form of slavery still exists in America through economic and social discrimination, even in the absence of legal authority.

In order to wipe out this modern, non-constitutional bondage against Negroes and other minority groups, Greeley urged Christian liberals to be intolerant of racial intolerance, to remain loyal, if possible, to the ideals of equality and social justice.

Concluding his remarks, the Kalamazoo minister said:

"Whenever a Little Rock occurs anyplace, a little loss of dignity takes place in all of us."

Hits And Runs

St. Joseph police report that a hit and run car plowed into the left front bumper on a parked car owned by Carl L. Phlegar, 3228 Lynn drive, St. Joseph, recently. The accident occurred while the auto was parked in the 600 block of State street.

'Messiah' Inspires Listeners

Ushers In Christmas Season

By DAVID THOMAS
N-P Staff Writer

The performance of Handel's "Messiah" in the Methodist Peace Temple Sunday afternoon fulfilled its time-honored role of introducing the Christmas season here with a flourish.

A capacity audience filled the temple to hear the inspiring musical development of the Christmas story. Absence of applause — the program was being taped for radio presentation tonight — lent a special aura of worship to this year's performance.

Director Harold Newton led the Twin City Symphony, soloists, and massed choruses of 175 in an earnest and consistently able reading which rose at times to the inspired heights of which the score is full.

AUDIENCE JOINS

The stirring solo, "The Trumpet Shall Sound," played off the martial dispatch of the cornet against the booming bass voice of Robert Sill in rousing final passages of yesterday's selections. The climax was the "Hallelujah Chorus" on which the audience joined choristers in full effectiveness.

At other times women's voices placed "on high" in the balconies echoed and re-echoed in response to tenor and bass entries below.

The soprano soloist, Dorothy Williams, showed lyrical ease in such beloved solos as "There Were Shepherds" and "Rejoice Greatly." Tenor Cecil Lemon and Alto Barbara Jean Gatewood, in their initial "Messiah" appearance here, gained power and effectiveness with each solo.

A scaled-down symphony, with Edward Cullinan doing piano parts, blended surely with the largely choral work.

The Rev. Dr. Stanley Buck gave an invocation between sections, joined by the audience in the Lord's Prayer. Warren Colby was organist.

The chorus was made up of the Twin City Choral Society, Andrews University Campus Choral Union, St. Joseph high school chorus and choir, Dennis Bowen, director, and the St. John's high school chorus, James Staudt, director.

SECOND PERFORMANCE

The performance will be repeated Saturday night on the Andrews University campus under Director Gerald Ferguson. It will be held in Memorial church at 8 o'clock.

The orchestra for both occasions is provided by a grant from the Music Performance Trust Funds of the recording industries, obtained through the cooperation of Local No. 232, American Federation of Musicians.

Recording On Air At 5:15 Today

Sunday's performance of the "Messiah" in the Methodist Peace Temple was recorded on tape and will be presented on WHFB-FM at 5:15 p. m. today.

Formal Dance Held At The Point

LARGE CROWD AT POINT O' WOODS: More than 180 Point O' Woods Country club members and their guests, one of the largest turnout in club history, attended the annual formal Christmas dinner dance on Saturday. Music for dancing was provided by Norm Krone and his orchestra, one of Chicago's leading show and dance bands. Committee members, from left to right, were: Mr. and Mrs. D. E. Daggett, Mr. and Mrs. John Hertz, Mr. and Mrs. Elmer Cress, Atty. and Mrs. Elden Butzbaugh and Mr .and Mrs. Montgomery Shepard. (News-Palladium photo)

Families Share In Christmas

DEEP IN THOUGHT: Jeffrey, 5, and Karen Bond, 3½, son and daughter of the Lester E. Bonds, concentrate on making the centerpiece which will be used in their home, at the workshop. They are using a square of styrofoam to be decorated with evergreen and ornaments. An annual event for a number of years, the workshop is sponsored by the Congregators, a couples' club. Mr. and Mrs. Francis Erickson were co-chairmen of this year's affair. (News-Palladium photos)

WHICH ONE IS MINE? Little Ann Boerma, two-year-old daughter of the Donald Boermas, seems to be asking this question at the First Congregational church's Christmas Workshop, held Sunday in Sonner hall. The unusual ornaments she is looking at are made out of used flash bulbs covered with a mixture of one cup liquid starch and two cups detergent. While still moist, the bulbs are rolled in sparkle and tied with string for hanging.

December 26 Wedding Date Announced

MISS SKIBBE

Mr. and Mrs. Elmer Skibbe, 913 Lydia drive, St. Joseph, announce the engagement of their daughter, Lois, to Harrison E. Bull, son of the M. Gordon Bulls, 965 Colfax avenue.

Miss Skibbe, a 1958 graduate of St. Joseph high school, and her fiance, a 1958 graduate of Benton Harbor high school, both are attending Community College. Mr. Bull recently completed three years service with the United States Marines.

The couple will be married Dec. 26, at the Trinity Lutheran church, in St. Joseph.

CHRISTMAS PARTY

GLENN—Women of the Self Betterment club entertained their husbands at a Christmas party in the social hall of the West Casco EUB church Saturday evening.

Chapin Hall Girls To Be Remembered

Fifty members and associate members of the Benton Harbor Auxiliary to the Michigan Children's Aid Society enjoyed a gala Christmas luncheon at Berrien Hills Country club Thursday.

Among the guests was Mrs. Carl Hoerman, an artist whose studio and home are at Saugatuck. She was the guest of Mrs. C. E. Stoddard.

After luncheon there was a brief business session. The Auxiliary decided to purchase sweaters as Christmas gifts for the 19 girls who reside at Chapin Hall in St. Joseph.

Bridge was the afternoon diversion.

The hostess committee was chaired by Mrs. Robert Reagan. She was aided by Mrs. H. H. Diffenderfer, Mrs. Ben Butsbaugh, Mrs. Glen Sherwood, Mrs. Reba Gross, Mrs. E. M. Clough, and Mrs. A. M. Beattie.

THURSDAY CLUB

KEELER — The Keeler Thursday club will meet at 2 p.m. Thursday at the home of Mrs. Harold Ruple for the club's annual Christmas party. There will be a dollar gift exchange.

World War II Moms Give To Worthy Causes

The cooperative Christmas dinner and gift exchange of Victory Chapter, Mothers of World War II, brought a good attendance of members to Maccabee hall Thursday night.

A snow man centerpiece and candy canes and poinsettias decorated the dinner table.

Mrs. Claude Farwell, Mrs. Alma Frakes, Mrs. Ellen Lundeen, Mrs. Ora Johns and Mrs. Lula Evans were the committee in charge.

Mrs. Martha Golladay and Mrs. Boyd Clawson reported sending $327.06 worth of articles to Battle Creek and Grand Rapids veterans' hospitals.

Members voted to give $40 to veterans' hospitals for their Christmas parties and $5 to the Twin City Veterans Hospital Council for its Christmas fund. Mrs. Marie Karsten reported the TUVHC fund is used to purchase coupons and fruit for hospitalized veterans.

Mothers with sons in service were asked to send the names and addresses of these to Mrs. Ora Johns so that she can mail them a check for Christmas.

Mrs. Alma Frakes and Mrs. Frank Lundeen, a guest, read the Christmas story, "Unto You," for entertainment. "The Christmas I Remember Most" was a poem read by Mrs. John Cone. Mrs. Clawson read a version of "The Night Before Christmas."

Mrs. Walter B. Jones of St. Joseph reported having attended the recent All American Conference of the Freedom Foundation in Washington, D. C. She also won the evening's unseen prize.

Members remembered Pearl Harbor Day with a minute's silent tribute.

At the next meeting Dec. 21st, new officers will be elected.

Santa Appears At Children's Party

There were 16 mothers and an estimated 60 children at the Christmas party the Modern Mothers Child Study club gave for members and their offspring Saturday morning in Josephine Morton Memorial club house.

Jolly old Santa made an appearance and presented gifts to everyone.

Games and a peanut hunt kept young guests occupied.

Mrs. Glenn Hoffman, Mrs. Louis Schultz, Mrs. Glenn Johns, Mrs. Terence K. Glynn and Mrs. W. H. Kuschel were the committee in charge.

Brunch To Kick-Off Fund Drive

Jewish Appeal To Start Next Sunday

Herbert D. Mendel, president of the Jewish Community Fund of Berrien County, which includes the United Jewish Appeal, today announced the 1962 campaign will begin on Sunday, Dec. 17 with a kick-off brunch at 10 a.m. at B'nai Sholom Community Center, Lake street.

All members of the Jewish Community and their families are invited to attend the brunch as guests of the Jewish Community Council, sponsors of the drive. There will be an outstanding guest speaker.

Mr. Mendel announced an innovation this year will be the enlistment of youth groups from the B'nai Sholom synagogue and from Temple Beth-El to decorate the hall and tables and to serve the brunch. Their efforts will earn individual credits and honors nationally for their respective organizations.

The Temple Beth-El group, whose president is Miss Debbie Grau, is affiliated with the National Federation of Temple Youth. The B'nai Sholom group, headed by Jerry Eichenbaum, belongs to the United Synagogue Youth of America.

As in previous years, all Jewish organizations in the county are cooperating. These organizations and their presidents are:

Hadassah, Miss Lottie Daken; B'nai B'rith Women, Mrs. Sidney Rosenberg; B'nai B'rith Men, Joe Caplan; Temple Beth-El, Ted Rosoff; B'nai Sholom, Seymour Flamm; Temple Beth-El SisterHood, Mrs. Merrill Pollyea; B'nai Sholom Sisterhood, Mrs. Harold Zaban.

Peace Temple Class Hosts Senior Ladies

The Susannah Wesley class of the Methodist Peace Temple entertained the senior ladies of the church at luncheon, Saturday, in the church.

Huge poinsettias decorated the tables for the annual holiday event. The flowers were later sent to shut-in church members.

For the program, Miss Suzanne Burgoyne, accompanied by her mother, Mrs. Leon Burgoyne, sang Christmas carols. Miss Katherine Gross gave an illustrated travelogue.

The committee in charge was chaired by Mrs. Wilbur Milligan, assisted by Mrs. Ben Bittner, Mrs. William Pape, Mrs. Harry Laity, Mrs. Robert Reagan, Mrs. Robert Lake, Mrs. Carrol Cox and Mrs. Wendell Larson.

Mrs. William Van Brocklin, president of the hostess class, spoke briefly.

Chapter XXIV

Margaret's mind, taking cover, informed her that this explained the lack of high-heeled shoes. As a nurse, on her feet a good deal, Isabel Glidden Foale had been accustomed to relaxing in flats. But then why hadn't she taken abroad with her? Had she bought a whole new wardrobe of shoes?

The cover fled. Mrs. Foale — impossible to think of her as Miss Glidden after all this time — had been Wilma Trumbull's day nurse, had discovered her legatee, had communicated this to Philip. It could only have been of interest to him because he was half-engaged to Margaret at the time—had he sought her out at all because, through Mrs. Foale, he knew of the Trumbull connection and hoped for the best?

In any case, as the capable nurse Mrs. Powers had said she was, Mrs. Foale had probably had a fairly accurate idea of her patient's life expectancy. Philip had had a safe period of time in which to woo and win Cornelia, to be almost at the altar—when the astounding news came.

Very well; where did that bring her? Miss Glidden had become Mrs. Foale. Philip had become Cornelia's husband. Hadley Foale had died, also predictably to a nurse who had been on night duty in the hospital where he was a patient.

That left — didn't it? — Cornelia. Odd man out.

Not necessarily, thought Margaret, rubbing her temples to try and smooth panic away: the evidence in the house was anything but that of collusion. Whatever their relationship, Mrs. Foale hadn't trusted Philip. The concealed snapshot of him, and the letter in the piano, were a wary guard against Philip's detection. Well, she would know how swayable Philip was where money was concerned, how smoothly he could get himself out from under. She would, as denser people often did not, apply the lesson to her own case.

If anything happened to Cornelia, Philip would inherit, and Mrs. Foale would certainly want a share. She would have foreseen the probability of Philip's coolly denying anything to do with her — his contacts with her in Connecticut would undoubtedly have been careful — and against that she had stored her weapons. The snapshot of Philip, the letter, possibly other things.

Margaret, in her scouring of the grounds for material with which to speed the burning of the blood-stained rag, had undoubtedly crumpled up the letter and tossed it into the incinerator.

At what she was thinking she put her hands to her cheeks, flat and hard. Reason as she might, Cornelia was not X or Y in a given problem. She was Margaret's sister, flesh and blood, naive for all her efficiency, and she was away somewhere with Philip. When Margaret's mind glossed over the phrase "if anything happened to Cornelia" she knew it was because she was afraid to face the meaning of the words: Cornelia's sudden death.

Call Jerome Kincaid? He was a man who knew what to do about all kinds of things; that was evident in his competent face; his eyes that could go so soft. She had wishfully accepted him as an old school acquaintance, because she liked him; underneath, in this raw moment, she knew that she had never believed it.

He knew something about Mrs. Foale, and just as certainly he was interested in Cornelia's and Philip's whereabouts. But on whose behalf was he acting?

There was—and shockingly she had forgotten him — Julio Garcia, dead by such painful degrees. Even if it were a private vendetta, nothing to do with his having been in this curiously sinister house in the past, there was still her own part in it.

"They'll call tonight," she told herself. But they did not call.

At nine o'clock the next morning with Hilary occupied over her breakfast and the house eerily dark with coming thunder, she called the telephone number she had found in Cornelia's bedside table drawer.

It answered crisply and at once. "Breslin Laboratories . . . Hello? Breslin Laboratories."

"Do you—I have a capsule that I'd like analyzed, do you do that?"

The voice told her kindly and a little patronizingly that they did not; they served the hospitals in the area. Undoubtedly her own doctor could arrange . . .

Was this the answer Cornelia had gotten or had she ever called at all?" Cornelia had to change her medicine . . . she said it made her sicker."

Intestinal flu might do that, but at one point Cornelia hadn't thought so. She had gone as far as looking up the number of the laboratory, and saving one of the capsules, and then something had happened that changed her mind.

A few years ago, John Hathorn of Houston had an acute attack of poliomyelitis. This has interfered with his bridge playing and now John has turned to writing about the game. In addition to a magazine called, "Texas Bridge," he has turned out some short books. His latest work is "How to Play the Hand." The book is a joint project. The co-author is Bobby Nail, one of the very best of the crop of young bridge players who are making things so tough for us old-timers.

Today's hand from this book shows a percentage safety play. If South were in seven spades, he would lead a low spade from dummy and finesse the queen. If that worked, he would lay down the ace and hope to drop the king. If that did not work he would be set.

Fortunately, South is in the proper six spade contract and while he has no objection to making seven, his main concern is to make the small slam.

He does make it if he lays down the ace of trumps and drops the singleton king.

Why does he make the play?

Because it is correct. If trumps break 3-2, he is going to make his contract. If trumps break 4-1, he can only make it if the king is singleton and he drops it.

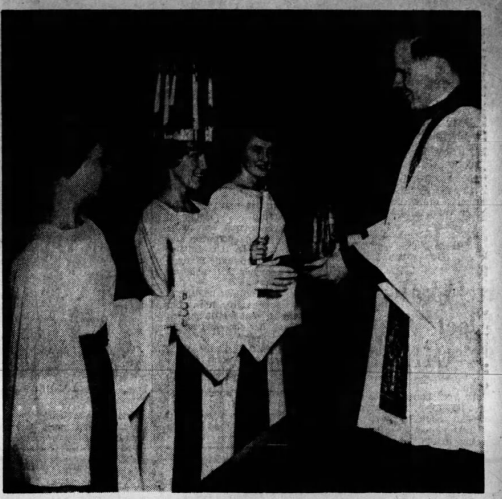
Crown Saron's Lucia



SANTA LUCIA CEREMONY AT SARON LUTHERAN: Rev. Frans Victorson of Saron Lutheran church, St. Joseph, presides at the annual Santa Lucia ceremony Sunday. Crowned as the saint who went about doing good at Christmas is Sandy Longacre, 18, of 174 Hoover avenue, Fairplain. Chosen star maidens were Sonia O'Keefe (left) and Madelynne Victorson.

The crowning of Santa Lucia, traditional Lutheran service, was conducted Sunday night at Saron Lutheran at the close of the Luther League Carol and Candlelighting service.

In a setting of candles, Christmas music and Christmas flowers, Sandra Longacre was crowned Saron's Lucia for 1961. Her Star Maidens were Sonia O'Keefe and Madelynn Victorson. She received the silver service which symbolizes the giving of service and of self, from the Rev. Frans A. Victorson, pastor of Saron.

Following the service the congregation was served coffee, cookies and punch in the fellowship hall by Santa Lucia and her Star Maidens. They were assisted by the Leaguers of Saron and served over 200 people.

Santa Lucia will appear at Mercy hospital Wednesday morning. Assisted by her maidens she will serve patients at an early hour. The purpose of the emphasis is the spiritual significance of the season as it points to the true meaning of the Incarnation, the Rev. Victorson said.

"The story of light and service," the pastor said, "must become the story of mankind as Christ's birthday draws near lest the materialistic emphasis destroy forever the true meaning of Christmas.

"Santa Lucia is considered the personification of light and service, a symbol of the meaning of Christmas. That is why Lucia and the maidens wear red sashes and Lucia herself is crowned with a crown of lighted candles."

In speaking of the legend of Santa Lucia, the Rev. Victorson explained Santa Lucia day was celebrated Dec. 13. Santa Lucia symbolizes the changing of darkness to light. She came to the people of the northland from the people of southern Italy.

Lucia was a beautiful maiden who lived in Syracuse about 300 A.D. How she became a Christian is not known. Even in childhood she prayed with burning words for her childhood friends in addition to bringing to Christ her parents and all the people in the white marble palace which was her home.

Because her dowry was given to the church when her prayer for the restoration of her mother's health was granted, she was accused of witchcraft and burned at the stake.

Her story was carried to the northlands and the Scandinavians took her to their hearts. Many legends have arisen about her, but in each she is the symbol of light and mercy, bringing aid to the poor and needy. And in all of the legends she appears on the darkest day of the year to announce the beginning of the Christmas time.

In the United States the Swedish Lutherans celebrate Santa Lucia's day by having her participate in special services with her star maidens. The custom has now spread through the nation and the observance is being held on college and university campuses as well.

'Your Problems,' By Ann Landers

The Smart-Too-Late Club

Dear Ann Landers: Recently in your column you referred to The Old-Too-Soon, Smart-Too-Late Club. I'm new in town and would like to meet some nice people. Please tell me more about this club and how I can get in.—NEW FACE

DEAR FACE: This a switch. Most people who write to me want to know how to get OUT — not in.

The Old-Too-Soon, Smart-TOO-Late Club is a mythical organization which I formed about five years ago. The membership is composed largely of women who managed to get old too soon and smart too late. The following lines have made many a woman eligible for membership:

1. "My wife's health is very poor right now. I'm afraid of what might happen if I ask her for divorce. Be patient, dear."
2. "Have faith in me. We'll be married as soon as the kids are out of high school."
3. "Have faith in me. We'll be married as soon as the kids are out of college."
4. "Have faith in me. We'll be married as soon as the kids are married."
5. "Mother has a very bad heart. If I marry outside my religion it will kill her. Wait."
6. "I can't see my way financially right now. I should be out of debt by the end of next year."
7. "This arrangement is perfect — why spoil it? Don't we get along much better than the married couples we know, Sweetheart?"

By now I believe you get the drift. If not, the following letter should do it.

ANN LANDERS

Here's An Example

DEAR ANN LANDERS: If I had the courage I'd take the gas-pipe.

If someone told ME this story I'd say he was crazy, but when it happens to you, Ann, you can think of a million reasons why it's logical and sane.

When I was 22 (14 years ago) I fell in love with a handsome, successful, fascinating man. Jim was 10 years my senior — and my boss. He told me his wife was selfish, frigid, extravagant, and boring. She spent several months of the year in Europe. Their son went to boarding school. Jim had more clothes at my apartment than at home. We took several "business trips" together and he bought me some lovely furs and jewelry.

This went on for eight years. I never looked at another man in all that time. On my 30th birthday I told him to get a divorce or we were through.

He begged me to wait until his son entered college — just another 18 months. I agreed. Then his wife had an operation. He couldn't talk about a divorce until she was completely recovered. Next, his father-in-law was stricken with cancer. He couldn't upset the whole family at a time like that.

Three years passed before things settled down to normal. I told him I wanted marriage or we were through for good. These are his exact words:: "I'm sorry, dear, but I'm in line for the presidency of the firm and a divorce would ruin my chances. I'll give you $5,000, a plane ticket to New York and I'll see that you get a wonderful job. You're a grand person and you'd make some man a great little wife."

There's my story, Ann Landers. Just sign me — HOLE IN MY HEAD

* * *

Are you tempted to smoke because the crowd does? If so, send for ANN LANDERS' booklet, "Teenage Smoking," enclosing with your request ten cents in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

Rebekahs Elects Slate Of Officers

Mrs. Paul Lanpher was elected noble grand of the Marquette Rebekah Lodge Friday evening.

Others named to office at the meeting in IOOF hall were: vice grand, Mrs. Dean LaBarre; recording secretary, Mrs. Jeannette Kimball; financial secretary, Mrs. Viola Tuttle; treasurer, Mrs. Hazel Derby.

Mrs. William Kocher was named a trustee for three years and Mrs. Derby will be degree staff captain.

Mrs. Clarence Emde was recommended for district deputy president.

TO ADOPT RESIDENT

The lodge will remember shut-in members during the Holidays, and after hearing Mrs. Carrie Zielke, correspondent for the Odd Fellow and Rebekah home, read a letter from David Bigelow, voted to 'adopt' another resident to take the place of the late J. B. Henry.

Coming events include: Dec. 16—joint Christmas party of the Odd Fellow and Rebekah lodges for members and families; Dec. 22—Marquette Rebekah Lodge, 6:30 p. m. birthday supper, fifty cent gift exchange; Dec. 30—Berrien County Odd Fellow and Rebekah Association, New Year's party in the local IOOF hall.

The hostesses Friday were Mrs. Willard Bunkley, Mrs. Anna McClure, Mrs. Charles Wright and Mrs. Margaret Cutler. Mrs. McClure won the unseen prize.

Art History Group Discusses Paintings

The Art History study group of the American Association of University Women met Thursday afternoon at the home of Mrs. David Hills, 1888 Smyers drive.

Mrs. E. D. Atwood spoke on the Flemish School of Painting; Mrs. Alton B. Parrott discussed the German and Spanish schools of the late renaissance, and Mrs. W. A. Webb talked on the 17th century Dutch painters.

On Jan. 11, the group will go to Chicago to visit the Art Institute.

Missionary Work For Holidays Is Completed

The May Tompkins guild of the First Baptist church held its Christmas party recently at the home of Mrs. T. W. Clark, 1461 Ogden avenue.

Assisting the hostess were Mrs. Joseph Platte, her daughter, and Mrs. Ethel Hemingway and Mrs. Lee Brannock.

During business, it was reported a White Cross Work unit for the missionaries was completed, and a Christmas box of clothing and gifts was sent to Caney Creek mountain mission.

Greetings were read from the Leland Taggarts, former residents, now of Nebraska.

Mrs. Robert Lamoreaux read a Christmas story for the program.

The decorations in the Christmas motif included a green tree with blue lights and pink satin bows from under which Christmas gifts were distrubuted.

The "Hanging of the Greens" will be Sunday, Dec. 10 and the Choir Festival will be Dec. 17.

Mrs. Lamoreaux will host the January meeting of the guild.

Miss Elaine Carol Hazen and Larry Logan Wilson were united in marriage in the Coloma Methodist church, Saturday, at 7 p.m.

The Rev. Paul Blomquist performed the ceremony for the daughter of the Richard Hazens, route 3, Coloma, and the son of the Paul Wilsons, 162 Morrison street, Coloma.

White mums decorated the church for the double ring rites. Mrs. Paul Davidson was organist.

The bride wore a gown of white velvet with a round neckline and a full skirt. She carried a cascade bouquest of white mums on her white Bible.

GOWNED IN BLUE

Miss Charlene Brower, Coloma, was maid of honor. Mrs. Dan Laurencig, Coloma, was bridesmaid. Both wore peacock blue satin street-length sheaths, matching accessories, and face veils secured by satin halo bands. They carried cascade bouquests of white mums.

William Wilson attended his brother as best man. Ushers were Bill Shearer, Richard Hazen, Jr., and James Bale.

One hundred and 50 guests were received in the church parlors. Assisting at the reception were Mrs. Raymond Becht, and the bridal attendants.

COLOMA GRADUATES

Following their honeymoon, the newlyweds will be at home at route 3, Coloma. The bride, a 1961 graduate of Coloma high school, is employed at Modern Plastics Corporation, in this city. The groom, also a 1961 graduate of Coloma high, is employed at Bendix Corporation, St. Joseph. He is enrolled in Detroit Barber College and will begin his studies in January.

Buchanan Collegian Gets Good Citizenship Award

BUCHANAN — Miss Donna Brown, daughter of Mr. and Mrs. Donald F. Brown, 219 Liberty avenue, is the recipient of the Good Citizenship award of the Daughters of the American Revolution. The announcement was made by Richard Dougherty, assistant superintendent of Buchanan Public Schools.

Miss Brown, a senior in the college preparatory program, was selected for the honor by members of her class and the high school faculty. This year's award is sponsored by the Capt. Samuel Felt DAR Chapter of Dowagiac. Formerly it was sponsored by Fort St. Joseph Chapter of Niles and Buchanan, recently disbanded.

The school has called attention to the fact that the National Association of Secondary School Principals has placed this contest on the approved list of national contests and activities for the 1961-62 year.

Contestants in the Good Citizenship contest are judged on four points: dependability, service, leadership and patriotism, and Miss Brown as a winner will receive her Good Citizenship certificate and pin at the annual honor convocation next spring. Along with other Good Citizenship pilgrims she will be honored at a future county-wide DAR banquet. Winning the award also qualifies her to compete in the state contest for a $100 United States Savings Bond.

Dominican Dictatorship Is Charged

Opposition Breaks Off Negotiations

By ROBERT BERRELLEZ

SANTO DOMINGO, Dominican Republic (AP) — The opposition heatedly charged a return to dictatorship, broke off negotiations with President Joaquin Balaguer's regime Sunday night and implied renewal of a general strike against Balaguer.

"We are on the edge of disaster," an opposition spokesman said after Balaguer declared the talks seeking a solution to the nation's protracted political crisis had reached a "definite impasse."

An opposition leader warned that the nation was headed down the path of Castro's Cuba.

The strike, launched 13 days ago by the opposition to back its demands that Balaguer step out of the government, was ended Saturday when it appeared agreement was near on a junta from which Balaguer would resign before the end of the year.

TELLS OBJECTION

Balaguer said Sunday the talks were stalemated because government officials and leaders of the armed forces objected to the opposition plan for him to be replaced by an opposition choice.

The National Civic Union, largest of the opposition groups, charged that Balaguer and the armed forces chief, Gen. Pedro Rodriguez Echavarria, had betrayed "the just hopes of the people."

The Civic Union said Balaguer, former front man for slain dictator Rafael Trujillo, "has found a new master, dictator Rodrigues Echavarria."

"But," Civic Union communique said, "the Dominican people will not accept him now or ever."

ROLE OF U.S.

Balaguer conferred for four hours at the National Palace with Arturo Morales Carrion, U.S. deputy assistant secretary of state for Latin-American affairs; U.S. Consul John Calvin Hill, and Chilean diplomat Federico Jose Oyarzun. Rodriguez Echavarria joined the conference about two hours after it started.

JFK Has Good News For Latins

U.S. Businessmen Ready To Help With Housing

By WILLIAM L. RYAN

President Kennedy heads for Venezuela and Colombia this weekend strengthened by a prospect that his Alliance for Progress can now begin to push ahead toward positive results in attacking a key Latin American problem.

The problem is housing. Virtually every big Latin American city is plagued by constantly growing and incredibly squalid slums.

These are in themselves breeding places for violence. They also generate resentment and anger among young people of other classes — intellectuals, university and secondary school students and others who are impatient for quick change.

When the $20-billion Alliance for Progress program was launched at Punta del Este, Uruguay, last August, Treasury Secretary Douglas Dillon estimated that $9 billion of investment capital would be needed.

CONGRESS ACTION

With little attendant publicity, Congress took steps to pave the way for attracting private investment. An amendment introduced by Sen. George Smathers, D-Fla., was adopted, providing FHA-type guarantees of up to 75 per cent of mortgage investment on request of U.S. investors in attacking South America's housing problems.

Meetings were held last week in Miami Fla., to discuss how to get a program on the rails and produce a showcase pilot project. Among those taking part were Sen. Hubert Humphrey, D-Minn., a ranking Senate Foreign Relations Committee member; Frank P. Gatteri, vice president of the Chamber of Commerce of the Americas, and William G. Winsborough, founder of an international nonprofit foundation known as the "Economic Plan for Freedom."

Winsborough described himself as shocked by the frequently expressed notion that U.S. businessmen do not care about the plight of American policy. He proposed an "economic peace corps," recruited from American business and working but for private enterprise. This corps, among other things, would seek out sources of private venture capital and try to interest it in investing in areas like Latin America.

BIG INVESTOR

Winsborough represents, himself, about $2.5 billion of private investment capital which he says he wants to get into projects at home and abroad to earn good returns and "where the principals are willing to reinvest some of these profits in humans and their individual aspirations."

There is no atmosphere of charity in this approach, but an appeal to Latin Americans' own self-respect.

RECEIVES NOBEL PRIZE: Albert John Luthuli, right, former Zulu chief, receives the 1960 Nobel Peace Prize from Gunnar Jahn at ceremony yesterday in Oslo, Norway. Jahn is president of the Nobel Committee. (AP Wirephoto via radio from Oslo)

Hand Out Nobel Prizes For Benefit To Mankind

STOCKHOLM, Sweden (AP) — Nobel prizes were presented yesterday to a former Zulu chief from South Africa, a writer from Communist Yugoslavia, four Western scientists — three of them Americans — and the estate of the late Dag Hammarskjold.

Albert John Luthuli, 62, heralded as a "straight, courageous leader," was presented the 1960 peace prize for his nonviolent campaign against the racist policy in his native South Africa.

Luthuli, branded a troublemaker by his own government, received the award in a moving ceremony in Oslo in the presence of King Olav V of Norway and many other dignitaries.

FIRST IN HISTORY

Luthuli is the first African to receive the peace prize.

Hammarskjold, the U. N. secretary-general who was killed in a plane crash on a peace mission to the Congo, was honored with the peace award for 1961.

The prizes are worth $48,300 each.

Luthuli said he has not decided what to do with his prize money. Swedish ambassador Rolf Edberg, accepting the 1961 award for Hammarskjold's estate, said a foundation would be created "to be used in some cause which was close to his heart." He did not elaborate.

King Gustaf Adolf of Sweden made the presentations of the other Nobel prizes in Stockholm.

U. S. WINNERS

The American winners were: Dr. Georg Von Bekesy of Harvard University, medicine, for his research to aid deaf persons; Dr. Melvin Calvin of the University of California at Berkeley, chemistry, for his research on plant growth, and Dr. Robert Hofstradter of Stanford University, physics, for atomic research.

Dr. Hofstadter shared the physics prize with Dr. Fudolf Moessbauer of Munich, Germany, now at the California Institute of Technology, the inventor of a "radiation clock."

The literary prize went to Dr. Ivo Andric of Yugoslavia for chronicling the history of his country in a series of epic novels.

Missing Woman Found Drowned

SARNIA, Ont. (AP) — The body of Mrs. Jennie Reid, 76, missing for five days from her Port Huron, Mich., home, was found 10 miles south of here Sunday. The body was found in a backwater of the St. Clair River. A post mortem showed drowning as the cause of death. Police said there were no signs of violence.

Albania Is Split From Soviet Union

Giant, Tiny Lands Calling It Quits

MOSCOW (AP)—The Soviet Union has severed diplomatic ties with Albania in the biggest Communist bloc split since Stalin expelled Yugoslavia from the Cominform in 1948.

The break, disclosed in Tirana and confirmed by the Albanian Embassy here Sunday, had been expected since Premier Khrushchev at the October Soviet party congress denounced the Albanian leaders as Stalinist and accused them of trying to disrupt Communist unity.

MORE EXPECTED

Other Eastern bloc nations are expected to follow the Kremlin's lead, leaving tiny Albania supported only by Communist China and perhaps North Viet Nam and North Korea.

A spokesman for the Albanian Embassy said the Albanian ambassador went home several weeks ago. He said the rupture in relations came several days ago.

The Albanian news agency Ata said an exchange of notes beginning Nov. 25 concluded with one Saturday announcing the withdrawal of the Soviet embassy and commercial staff from Tirana. Ata said this note also demanded that Albanian personnel get out of Moscow.

MORE THAN YEAR OLD

By diplomatic accounts, the trouble between the two countries exploded in an angry exchange between Khrushchev and Albanian Communist chief Enver Hoxha at the Moscow conference of world Communist leaders in November 1960.

Albania boycotted the Soviet Communist party congress this fall at which Khrushchev attacked Albania and Red Chinese Premier Chou En-lai in turn criticized Khrushchev for airing the dispute instead of trying to settle it privately.

Many Westerners here felt that when the Kremlin denounced Albania, it actually was attacking Peiping for not supporting Khrushchev's policy of peaceful coexistence.

SOVIET BLOC SHRINKS: The Soviet Union has broken diplomatic relations wth Albania over that Communist nation's adherence to the Stalinist line. A dispatch from Tirana monitored in London said the Soviet Union is withdrawing all personnel from the Soviet Embassy in the Albanian capital, and will demand the withdrawal of all Albanian diplomatic personnel from Moscow. The dispatch said the Soviet government was pushed into the act by Soviet Premier Khrushchev. Newsmap locates Albania in relation to U.S.S.R. (NEA TELEPHOTO

FATHER SLAYS MOTHER, SELF

Son, 10, Can't Stop Killing

WAYNE (AP)—A Wayne man brushed aside attempts by his 10-year-old son to stop him and stabbed his estranged wife and himself to death Sunday.

John Kelly, 44, and his wife, Mildred, 40, were killed.

Police said Kelly went to his wife's home to take John, 10, and another son Michael, 3, to church.

John told officers his father left the two boys in the car and returned to the house. The boy said he ran back into the house after hearing shouts.

He said he saw his father holding a knife and choking his mother in the kitchen. The boy told officers he grabbed the knife and bent it, then ran to a neighbor's house for help.

Mrs. Kelly staggered after her son to the home of Mr. and Mrs. Edward Hauser. She collapsed on their porch and was dead on arrival at a local hospital. Police found Kelly in his wife's rented home, a knife in his chest.

Phone Company Rings Bell With Its Annual Yule Party

'OH, PLEASE, SANTA!' seems to be what two-year-old Rebecca Grahl is saying to the jolly bewhiskered man in red. But her request is a secret between her and Santa. She's the daughter of Mr. and Mrs. Robert Grahl of Niles. (News-Palladium photo)

BERRIEN SPRINGS—Employes and families of the Benton Harbor district of Michigan Bell Telephone Co., gathered Saturday afternoon for their annual Christmas party at the Youth Memorial building here.

Highlight of the day for the 250 youngsters who came along was the appearance of Mr. and Mrs. Santa Claus, who brought a huge sacks of gifts. Santa also personally asked each youngster what he wanted to find under the Christmas tree.

A painted clown from Chicago and a rootin' tootin' shootin' cowboy added spice to the party. The clown carried a tray of glasses around and every now and then he tipped it upside down—but the trick glasses didn't spill, delighting the youngsters who saw it happen.

GAMES AND GOODIES

Cartoons, cookies and milk, Christmas carol singing and group games rounded off the afternoon, with refreshments for adults in another room.

Yes, it was a cold snowy day outside, but the Memorial building was filled with the warm spirit of Christmas.

The partly was one of 10 being held Saturday in the state by Michigan Bell.

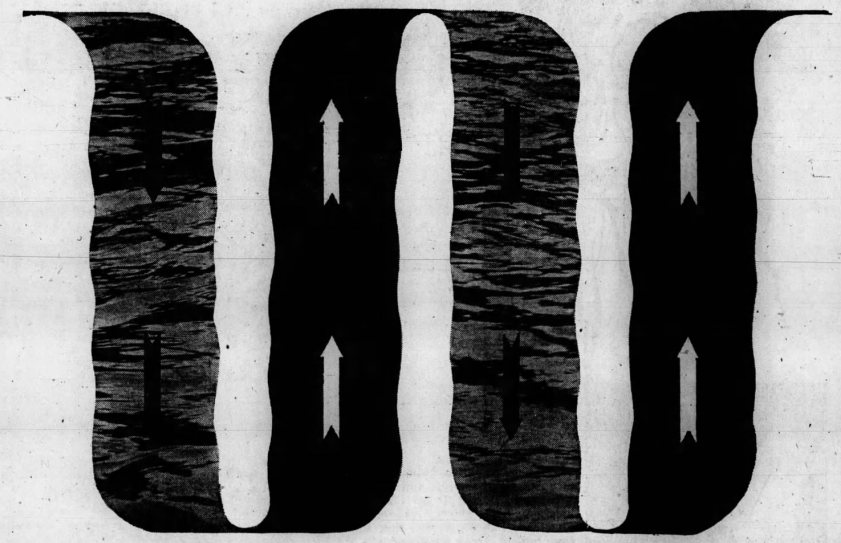
Every night the Roanoke River will run uphill

...another new way AEP keeps your electric costs low



The same water will go over the dam again and again, when the new Smith Mountain hydroelectric plant goes operational in 1963.

Nights and weekends, when electric power needs are reduced, power from our coal-burning generating plants will be utilized to pump the Roanoke River backwards, into a reservoir, for re-use in generating electricity during peak power-need periods.

This idea of creating a second reservoir for temporary storage of river water and then pumping a portion of it back to the first reservoir for the generation of more electricity, will increase the power production of Smith Mountain nearly ten times.

Doing things in new ways to improve service and efficiency is one big reason why the average unit price of electricity, for customers of Indiana & Michigan Electric Company, has not gone up during twenty years of inflation.

Your service is better, your rates are lower because Indiana & Michigan Electric Co. is a part of the American Electric Power System. Supplying more electricity than any other investor-owned utility, AEP aids the economic growth of 2,350 communities in seven states. Through integrated operations, progressive engineering, research and coordinated management, the six member companies of AEP bring you low-cost power with greatest dependability.

May Send Eichmann To Gallows

Found Guilty On All Counts

(Continued From Page One)

cided in Eichmann's case.

PERSONAL GUILT

Eichmann had argued that he was only an underling who carried out orders. But the court said: "The laws of humanity are binding on individuals. The guilt of Germany as a state does not detract one iota from the personal responsibility of the accused."

Eichmann is expected to be sentenced Friday.

He was tried under Israel's Nazi and Nazi collaborators' law of 1950 which provides death as the maximum penalty. The death penalty never has been invoked.

The packed courtroom was deathly silent as the verdict of guilty was pronounced. Many of the 600 spectators had relatives who were victims of the Nazi pogromor were themselves survivors of the death camps.

There was not a sigh or a ripple at the abrupt one-sentence verdict which Judge Landau spoke rapidly before beginning to outline the court's detailed reasoning.

READING CONTINUES

The reading of the judgement will continue through today and Tuesday. Atty. Gen. Gideon Hausner—who prosecuted the case, presented tons of captured documents and 112 witnesses—will then advise the court on the penalty.

Defense counsel Robert Servatius of West Germany, will make his final plea and Eichmann will be allowed to speak in his own behalf.

The court rejected Eichmann's defense plea that Israel had no right to try him for crimes committed elsewhere and under a law passed years after the crimes.

"The court finds the law in the best tradition of international law," the judgment found. The court said international crimes were tried as far back as the Middle Ages in areas where the guilty were caught. Piracy cases were so conducted on the theory that "all mankind must declare war against" such violations. The Israeli judges said this reasoning applies to Eichmann as well.

INTERNATIONAL LAW

"A person guilty of piracy has placed himself beyond the protection of any state," the court said.

Eichmann, as chief of the Gestapo's bureau for Jewish affairs, was no better than a pirate, the tribunal concluded.

It was Eichmann's job to round up the Jews, arrange transport to the death camps and see that the human cargo was delivered. Out of that master Nazi plan to wipe out the Jewish race, six million died, more than half of all of Europe's Jewish population.

If Eichmann is sentenced to death, his counsel can appeal to the state Supreme Court. If the high court rejects the appeal, Eichmann can ask clemency from President Itzhak Ben-Zvi.

Riots Blast U.S. Position In Katanga

ville, forced their way into the building and stole all the cigarettes they could find. They were ejected by Tshombe's official guard. None of the consulate staff was hurt.

In Brussels, about 250 pro-Katanga demonstrators shouting "Kennedy the gallows" stoned the U.S. Embassy and clashed with police, who drove them off.

JETS STRIKE

Rocket-firing U.N. jets struck Sunday at two key Katanga installations in Elisabethville—the postoffice in the heart of the capital and the main Katanga military camp.

A Katanga official spokesman in Elisabethville charged a U.N. jet killed several African women and children in a strafing attack on Lukafu village, near Jadotville. The spokesman also said Christophe Mwamba, a Katanga deputy, his wife and two children were killed—possibly by the same jet—while traveling by car in the Jadotville area.

The United Nations prepared leaflets to tell the people of Katanga that it "has no wish to interfere in Congolese politics."

U.N. planes will scatter the leaflets—printed in French and Swahili—over the province telling the Katangans "the United Nations is your true friend."

They said the U.N. force had come to the Congo, "at the request of your legitimate government (in Leopoldville) to help your country preserve its independence and unity," to keep law and order and "to save you from chaos, famine, ruin and civil war."

Mrs. Julia Mae Hawks Dies; 62

Mrs. Julia Mae Hawks, wife of Claude D. Hawks, well known Benton Harbor businessman, died at 10 a.m. Sunday at her home, 463 Terrace drive, at the age of 62. She had been in ill health for the past two weeks.

Mrs. Hawks was born May 13, 1899, in Boyne City, Mich., the daughter of the late Mr. and Mrs. Julius Richardson, and had resided here for the past 45 years.

On Dec. 15, 1920, she married Claude B. Hawks in Benton Harbor. He operates a wholesale and retail sewing machine company on Pipestone street.

Mrs. Hawks attended the Fairplain Assembly of God church.

Besides her husband, survivors include a brother, Reuben Richardson of Benton Harbor and three sisters, Mrs. Elma Chandler and Mrs. Nora Niblett of Benton Harbor and Mrs. Lura Nelson of South Bend, Ind.

The body is at the Florin funeral home where funeral arrangements were incomplete this forenoon.

Bethea Rites Held

Largely attended funeral services were held Saturday afternoon in the Macedonia Community church, Sodus, for Mrs. Ellis (Estella) Bethea, Sr., 43, route 1, Dewey avenue, who died Saturday in a Kalamazoo tuberculosis sanitarium.

The Rev. E. H. Culpepper, pastor, officiated. The church choir sang "Beyond The River" and "The Last Mile Of The Way."

Casket bearers were Clifton Dickerson, Thomas Robinson, Jesse Sherrodd, Roosevelt Gibbins, Fletcher Moore and Emmett Walker.

Burial was in the Mt. Pleasant cemetery, Sodus.

The Robbins Brothers funeral home was in charge of arrangements.

Leonard Gruntman

Leonard Gruntman, 58, of route 1, Box 457, Benton Harbor, died at 12:15 a.m. Sunday in Memorial hospital, St. Joseph, where he had been a patient for three weeks.

Mr. Gruntman was born Aug. 3, 1903, in Germany. He came to Canada with his parents at the age of two. In 1923, he came to Benton Harbor.

On Dec. 25, 1926, he married Lena Kutz in Benton Harbor.

Mr. Gruntman was on the supervisory staff at Auto Specialties Mfg. Co. for 35 years. He was a member of the 25-year club and the supervisors club of Auto Specialties Co.

Survivors include his wife; two daughters, Mrs. Genevieve Berndt at home, Mrs. Donald (Elaine) Weckler of Benton Harbor; two sons, Ronald at home and Leonard, Jr., a student at the University of Michigan; two brothers, Adolph of Bronte, Ontario, Canada and Fred of Benton Harbor; three sisters, Mrs. Adolph (Dolly) Stefan of Benton Harbor, Mrs. Louis (Gusty) Huelsberg of St. Joseph and Mrs. Arthur (Rose) Grinewitzki of Benton Harbor; and five grandchildren.

Funeral services will be held at 2 p.m. Wednesday in the First Assembly of God church, Highland avenue and McCord streets, of which he was a member. The Rev. Alvin Sprecher, church pastor, will officiate. Burial will be in Crystal Springs cemetery.

Friends may call at the Kerlikowske, Starks & Beatty funeral home, St. Joseph.

Henry Neubauer

Henry Neubauer, 57, of 521 Court street, St. Joseph, died at 5:30 p.m. Saturday in Memorial hospital, St. Joseph, where he had been a patient for about a week.

He had been ill for two months and a patient at the hospital at other times recently.

Mr. Neubauer was employed in the engineering department of the Whitcomb hotel.

He was born March 2, 1904, in Poland. His family came from Poland to St. Joseph in 1913.

Mr. Neubauer is survived by his mother, Mrs. Ernestine Neubauer of Berrien Springs; and six brothers, Alex, Gust, and Arnold Harold of St. Joseph, Rudy of Berrien Springs; Jacob of Roseville, and Lewis of Long Beach, Calif.

Funeral services will be held at 2:30 p.m. Tuesday in the Dey Brothers funeral home chapel, St. Joseph. The Rev. Richard Seimer of St. Peters Evangelical and Reformed church, St. Joseph, will officiate.

Burial will be in Riverview cemetery, St. Joseph.

World War I Veteran Dies

EAU CLAIRE — Earl Dano Wymer, 71, Pontiac, former Eau Claire resident, died Saturday morning in Veterans hospital, Ann Arbor, where he had undergone major surgery Wednesday.

Mr. Wymer was born Aug. 5, 1891, in Inwood, Ind., the son of the late Albert W. and Jennie Frasier Wymer. He moved to Eau Claire with his parents when he was a small boy. He was a veteran of World War I, having served in the U. S. Army.

He married the former Edna Shindeldecker of Eau Claire, June 29, 1919. They moved from Eau Claire to Pontiac in 1941. Prior to his retirement, Mr. Wymer was an auto mechanic.

Besides his widow, survivors include four sons, Albert "Fritz" of Niles, and Wendell, Gene and Kenneth, all of Pontiac; 10 grandchildren; two brothers, Neal of Berrien Springs and Floyd of Benton Harbor and five sisters, Mrs. Mae Mackey and Mrs. Chester (Gladys) Tidey, both of Kalamazoo; Mrs. William (Flossie) Miles of South Haven, Miss Dorothy Wymer of Bangor and Mrs. John L. (Lorena) Momany of Benton Harbor. A son, William, preceded him in death one month ago.

ity across the road died down. And "for good housekeeping," the AEC washed seven cars caught between blockade points.

The highest radiation rating inside any car was 15 milliroentgens (thousandths of a roentgen) per hour and declining, said AEC's Dr. Gordon Dunning. He said a person could live the rest of his life in the car and get a total dose of only 75 millroentgens. A thoroughly safe lifetime exposure to radiation has been set at 35 roentgens, not millroentgens.

Test director James Reeves said "to the best of my knowledge at the present time, no one was injured."

DEADLY BELOW

While the dissipating gaseous radioactivity was small, radiation in the mine shaft was terrific — 1 million roentgens at the bottom an hour after blast, Dr. Randolph estimated. Five hours after the blast, it was about 40,000 roentgens. A lethal human dose is 1,000 roentgens.

This will delay attempts to recover a special wheel, near the bottom of the shaft, which measured neutrons flying from the blast chamber through a 22-inch wide vacuum pipe.

The wheel is apparently intact, and that experiment apparently worked, Dr. Randolph said.

In a day or two, a drilling rig will start boring to learn if a cavity was actually formed.

ANOTHER SUCCESS

An experiment to capture radioisotopes flying up the vacuum pipe, which peered into the blast chamber from the surface, also apparently worked. But a three-foot thick concrete slab on which instruments stood was tilted over, and the ground above the chamber apparently heaved up a few feet.

The nuclear device, using new principles to make peace time explosives cheaper, also apparently worked quite well, said Dr. Randolph. Observers 4½ miles away could feel its power from the rolling earth tremors.

He said the experiment definitely advanced ultimate peaceful uses of nuclear explosives.

Family Of 3 Loses All To House Blaze

NEW BUFFALO—It will be a sad Christmas for the Art Woodward family in New Buffalo. The family's house, furniture, clothes and Christmas presents were lost when the house burned to the ground Saturday after a space heater exploded.

The Woodward family, consisting of the husband, wife and 14 year old daughter, was just sitting down to supper Saturday when the explosion started the fire.

Woodward, an employe of the Chesapeake & Ohio railroad at New Buffalo, managed to save the family car by backing it out of the garage which adjoined the burning house.

New Buffalo township firemen arrived on the scene within minutes after the fire started but they could not extinguish the fire.

The family is now staying at the home of Mrs. Woodward's sister in LaPorte, Ind. They are looking for a place to stay in New Buffalo.

All the Christmas presents, their clothes and Woodward's weekly pay chest went up in smoke.

Pres. Kennedy's First Year, In Retrospect

His Goals, Ambitions, Promises

Some Followers Are Disenchanted

EDITOR'S NOTE: No President ever took office with more precise ideas of what kind of a President he wanted to be. How has John F. Kennedy measured up to his own vision? This is the first of five articles appraising the Kennedy record, by a seasoned Washington reporter who covered his 1960 campaign.

* * *

By ARTHUR EDSON
AP Staff Writer

WASHINGTON (AP) — How is John F. Kennedy doing as President?

It has been a year since his election, and 11 months since his move into the White House.

Has Kennedy gone forward with the daring, imaginative leadership he said this country so desperately needed?

Or, as some disenchanted Kennedy enthusiasts of 1960 now suggest, has his administration compromised so frequently it has, in their view out - Eisenhowered Dwight D. Eisenhower's?

Latching on to any political fact can be as difficult as picking up a wet watermelon seed.

TOUGH PROBLEM

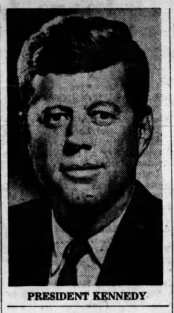
But here the problem is tougher.

Talk to the men around Kennedy—as this reporter has—and the answer is almost always the same: He is doing exceptionally well.

Except for Cuba, an obvious and admitted disaster, few mistakes are confessed, publicly or privately. If one even dares to suggest that an alternative course might have produced better results, the rebuttal is instantaneous and it is smooth, like a salesman's speech that has been tailored in advance to meet each objection.

Talk to men far removed from Kennedy, politically and literally, and the standard Republican response is exactly the opposite: The New Frontier is floundering; Kennedy already is a failure.

If one dares to mention that the administration pushed considerable legislation through Congress, the answer comes quickly: These



PRESIDENT KENNEDY

bills have been kicking around for years, and any Democrat, moving into the White House, supported by a Democratic Congress, would have gotten as much.

NEITHER SIDE SURE

The very vehemence of their replies suggests that neither side is too sure of its ground, that each fears there's some truth in the other's argument.

Anyone judging Kennedy's progress has to keep in mind that it is an ingrained political habit to see everything as all good or all evil.

But some confusion can be traced directly to Kennedy and the type of campaign he waged.

For he not only made the usual promises — accurately called "campaign oratory by Wendell Wilkie—but he also went far beyond. Repeatedly, almost constantly, he talked of the ideal President.

NOT ABASHED

Few men ever pursued the Presidency so openly and persistently. None ever entered the White House with a clearer concept of what the presidency should be, or with a firmer vision of the president he wanted to become.

Those of us who followed Kennedy through the enthusiastic months leading up to his dramatic victory over Richard M. Nixon saw the image laboriously hammered out: on a cold, windy airstrip in Presque Isle, Maine. At a huge auditorium in Oakland, Calif. Before a street crowd that filled Penn Square in Reading, Pa.

Wherever he went, and sometimes it seemed he went everywhere, Kennedy tried to add a new dimension of presidential campaigning.

Earnestly and impressively, Kennedy pictured an alert, aggressive, positive leadership that would move this country forward again and gain the admiration of the whole non-Communist world.

Only two days before the election, his thoughts now firmly crystallized, he spoke at the Coliseum in New York City.

"I want to be a President," Kennedy said, "who has the confidence of the people—and who takes the people into his confidence—who lets them know what he is doing and where we are going, who is for his program and who is against. I hope to set before the people our unfinished agenda—to indicate their obligations—and not simply follow their every whim and pleasure. . . .

WANTS TO BE CHIEF

"I want to be a President who is the chief executive in every sense of the word."

Here Kennedy came up with one of the most far-reaching promises ever made in a business renowned for over-reaching itself.

"I am not promising action in the first 100 days alone," he said. "I am promising you 1,000 days of exacting presidential leadership."

Well, he started out as if he meant every word of it.

FATE UNKIND

But fate was unkind to Kennedy. Whereas foreign affairs caused Eisenhower comparatively little difficulty during his first year, Kennedy was beset from the start with literally a world of trouble.

Even then, before his administration had a chance to get shaken down properly, came April 17 and the Cuban invasion—a shocking, humiliating failure that was heard, and denounced, around the world.

Next: Kennedy on the home front.

About five billion meteors strike the earth's atmosphere daily.

Blame Three Traffic Deaths On Icy Roads

Included Among 13 Fatalities

Four Others Die Violently In State

Snow, ice and freezing rain which turned streets and highways into sheets of glass were blamed for at least three of the 13 traffic deaths reported in Michigan over the weekend.

In addition, two young college students drowned when they fell through ice in Clear Lake near Battle Creek, and two persons lost their lives in miscellaneous mishaps.

The Associated Press count of weekend fatalities began Friday at 6 p.m. and ended Sunday at midnight.

The victims:

TRAFFIC

James Thompson, 32, and Damon Spence, 28, both of Pontiac, were killed Sunday when their car skidded on an icy street and struck a tree in Pontiac.

Earl K. Wisterman, 32, and his wife, Edna, 24, of Plymouth, were killed in Romulus Township near Detroit Saturday when their car was struck from behind and pushed into another car.

Lawrence C. DeWeese, 24, of Taylor Township, was killed Saturday while riding in a car that collided with a truck in Romulus Township near Detroit.

Sharon K. Robinson, 21, of Grand Rapids, was killed Saturday when the car in which she was riding rolled over and struck a utility pole on M21 near Grand Rapids.

Helen Kelly, 47, of Grand Rapids, died Saturday when her car left old U. S. 16 and rolled into a ditch in Ada Township near Grand Rapids.

John Treece, 39, of Pontiac, was killed Saturday in a two-car collision in Pontiac.

DIES IN DITCH

Edith Irwin, 45, of Clayton, was killed Sunday when her auto rolled into a ditch in south Lenawee County.

Mrs. Stamo Zahareos, 43, of Saginaw, was killed Sunday when she was a passenger in a car that skidded on icy pavement and hit a tree near Midland. Five others were injured critically.

Mrs. Lillian Hazelton, 84, of Utica, died Sunday a few hours after the car in which she was riding struck a stalled auto near Utica.

Michael Elliot, 11, of Lansing, was struck and killed by a hit-run driver Sunday night just outside the Lansing city limits.

Floyd Wolfgang, 58, of Madison Heights, died Sunday in a headon auto collision in Madison Heights.

DROWNINGS

Tim Oser, 19, of Melrose Park, Pa., and Susan Meyer, 18, of Cedarburst, N.Y., drowned Saturday after they fell through the ice in Clear Lake, 15 miles north of Battle Creek.

MISCELLANEOUS

Joey Young, 4, died Saturday in a fire that swept his home in Detroit.

Harvey M. Minton, 38, of Alpena, was killed Saturday when he slipped and fell 117 feet from a silo at Alpena.

Some 200 News-Palladium carrier-salesmen were honored Sunday at the 30th annual Christmas party in the Vincent hotel.

The traditional holiday dinner for the youths was highlighted by gifts for each carrier and entertainment by Lee and Rita—a family variety act that has appeared on the Ed Sullivan show.

Thirteen carriers received Inland Daily Press association awards for outstanding service.

They were:

Edward Petlick, Robert Husek, Robert DeLong, Daniel Brant and James Brownlow, all of Benton Harbor; Ronald Simmons, Robert Olson and Paul Ditch of South Haven.

Also, James McNees, and Donald Swartzlander of Watervliet; Terry Pike, Decatur; Wayne Fannin, Millburg and Terry Hutchins, Glenn.

Petlick gave the invocation. Entertainment was arranged by Ray Haynes, The News-Palladium promotion manager.

The dinner menu and table decorations were handled by Gaynelle Daugherty, and Mrs. Robert McFaddin, both of the circulation department.

Holiday piano music was provided by Mrs. Roland Shuler, a News-Palladium proof reader.

SPEAK AT VETERANS BANQUET: Con-Con delegates, twin cities mayors and veterans officials join after giving tributes to past commanders of chapter No. 17, Disabled American Veterans Saturday. Banquet was third annual affair, held at V.F.W. hall, post No. 1137. Seated is Chester Clute, toastmaster from Battle Creek. From left, standing, are St. Joseph Mayor Tom Sparks; Con-Con delegates Lee Boothby and Burton Richards; Cmdr. James H. Lents of post 17; Con-Con delegate David Upton; Past Commanders Charles Bennett and Robert Kotyuk; Cmdr. Eleanor Kotyuk, of post 17 Auxiliary; Past Commander Bernard Killin, and Mayor Wilbert F. Smith of Benton Harbor. (News-Palladium photo)

Chicagoan Dies After Auto Crash

Companion Near Death At Allegan

SOUTH HAVEN — A young Chicago man died at South Haven hospital last night as a result of an accident in Allegan county Saturday afternoon. His teenage girl companion, also from Chicago, is listed in "fair" condition. David F. Wiegman, 20, of 1281 West Seventy-third street, Chicago, died at 11:35 p.m. of injuries received when a small imported bus skidded out of control into a culvert while south bound on US-31 south of 109th avenue in Casco township. His injuries included a possible fractured neck or back, broken hip and concusion.

Martha A. Bradshaw, 17, of 7203 South May, Chicago, is being treated for a possible fractured neck, severe facial lacerations, and possible fracture of the right shoulder.

South Haven state police reported that they could not be sure who was driving because they could not question the victims. At last report, they said, Miss Bradshaw had no recollection of the accident.

Wiegmans body was taken to Calvin's funeral home in South Haven pending transfer to the George Buckeme funeral home in Chicago.

Wiegman's death was the 30th traffic death in Allegan county this year.

DAV Looks Back At Its History

Past Commanders Honored By Local Chapter

"Part of our work at the Constitutional Convention is to reaffirm the rights you fought to preserve," Con-Con Delegate Lee Boothby of Niles, told some 150 veterans and guests here Saturday.

The occasion was the third annual banquet of the Disabled American Veterans, Chapter No. 17, honoring its past commanders. Con-Con delegates David Upton, St. Joseph and Burton Richards, Eau Claire, joined Boothby and veterans spokesmen with brief remarks.

Upton said the visit in Lansing of Gen. Eisenhower this week will not be any political rally, simply a closed talk to delegates and a handfull of guests to "tell us what we can do."

Richards, like Boothby, spoke of a special debt to veterans "who have given part of themselves." Richards said decision-making is to be on the Con-Con docket very soon. So far delegates have only been studying and "digging out principles," he said.

The banquet at the V.F.W. hall, post No. 1137, featured a turkey with all the trimmings. The V.F.W. Auxiliary cooked and served it.

FORMED IN 1931

Toastmaster was Chester Clute, Battle Creek, a former commander of the Michigan department of the D.A.V. Listing the contributions of each of the seven past commanders of the local chapter, he outlined the chapter's history in growing from 26 members in 1931 to 389 at present. It is the largest chapter in the nation made up entirely of llye members.

Past commanders present were Bernard Killin ('49-'55), Charles Bennett ('55-'56), and Robert Kotyuk ('60-'61). Others praised were Jules Spooner ('31-'40), who organized the chapter which received its charter June 9, 1931; his son, Louis Spooner ('56-'58). Adolph Friske ('58-'59), and Fred Peppel ('59-'60).

Mrs. Clute recongized past commanders of the D.A.V. auxiliary. Present were Rosa Miller, Agnes Altizer, Doris Killin, Patricia Mangold, and Eleanor Radke. Also recognized were Jessie Schwerdt (deceased); Edna Spooner, who organized the auxiliary which was chartered June 9, 1943; Maybelle Stone, and Olga Friske.

MAYORS SPEAK

St. Joseph Mayor Tom Sparks, a sparkplug in veterans affairs, gave tribute to the past commanders as a source of guidance. Wilbert F. Smith, mayor of Benton Harbor, followed Mayor Sparks on the program and quipped, "The two 'gray mayors' pull together."

Commander James H. Lents of the local chapter and Commander Eleanor Kotyuk, of the auxiliary, introduced their respective chapter officers.

Among the guests were Post 105 American Legionnaires, host V.F.W. members, Amvets, and Disabled Veterans from Niles, Grand Rapids, Kalamazoo, and Battle Creek.

Chaplain Jack Cohen delivered the invocation. The Jack Phairas trio played during dinner. After speechmaking, the banquet adjourned to the D.A.V. chapter home on Pipestone road for dancing to the "Cardigans" band.

Same Story: Restaurant Looted Again

Burglars hit Patsy's Lunch restaurant on Fair avenue at McGuigan street early today for the third time in a month. Benton Harbor police said an undetermined amount of money and several packages of cigarettes were stolen.

Patrolmen Neil Teske and Jack Page who discovered the breakin at 4:50 a.m. today said the burglars broke out the glass in two doors, flipped a night lock and removed a bar inside the rear door to enter. Using kitchen utensils, they pried open cigarette and pinball machines and the juke box and looted the coin boxes. Coins from the cash register and from a can along with cigarettes from the machine were taken.

Mrs. George Mantis operates the restaurant.

Fire Razes Condemned Old House

Nine Had Moved Out 10 Days Ago

An early-morning fire today destroyed an old frame house in Benton township where a mother and eight children were ordered out just 10 days ago for safety reasons.

Two trucks from township station No. 1 worked over four hours to halt the blaze at 420 Cribbs avenue. They were called by a passerby at 3:20 a. m.

Mrs. Mary M. Moore and her eight children had moved out of the house Dec. 1 upon orders of the township building inspector. Faulty wiring was charged after a fire there earlier in the fall, according to Fire Chief Harrison Versaw. The occupants were first ordered to leave Oct. 4, building inspection records show.

Versaw said he was not sure of the cause of today's levelling flames. He said they started in the upstairs of the 1½-story house, owned by Charles Taylor, 819 East Main street.

One fireman was burned around the left eye when pieces of burning debris dropped on him. Richard Hanner was treated for the burn at Mercy hospital and released.

More Jobs In Detroit

But Unemployment Up In Outstate Area

DETROIT (AP) — Unemployment in Michigan declined by 7,000 between Oct. 15 and Nov. 15.

Detroit's decline of 15,000 in unemployment offset an outstate gain of 8,000 in the number of persons without jobs, the Michigan Employment Security Commission reported.

The state as a whole had 205,000 unemployed as of Nov. 15, compared with 212,000 on Oct. 15. The percentage of the labor force idle was 7.0 and 7.3, respectively.

Detroit unemployment Nov. 15 stood at 102,000, compared with 117,000 a month earlier.

Policeman Hurts Wrist

Attempts To Stop Driverless Auto

A Benton Harbor policie officer suffered a fractured wrist when he tried to stop a fellow patrolman's car from rolling backward into a patrol car Sunday.

Patrolman John Bellinger, 30, of Route 2, Coloma, was taken to Mercy hospital where his right wrist was set and a cast applied. Police said Bellinger had placed some personal possessions in a car owned by Patrolman Ronald E. Smith behind the police station, when Smith's car started to roll backward toward a squad car. Bellinger's hand was caught between the two cars when he attempted to stop the rolling auto. He was released after hospital treatment.

French Is Named Veep Of Parrett

The appointment of Leslie V. French as vice president of the Parrett Manufacturing Co., Benton Harbor, manufacturer of golf and utility vehicles, was announced today by John Parrett, president.

French will assume his new post Jan. 1.

Prior to his association with the Parrett company, French had been connected with Whirlpool, Corp. for nine years in various management capacities. During this period he served as director of management training, director of engineer personnel and director of engineering services.

Before coming to Whirlpool, French was associated with the Minnesota Mining and Manufacturing Co., of St. Paul, Minn.

French is a graduate of the University of Minnesota and holds a masters' degree in business administration from Michigan State University.

The new Parrett executive resides with his wife and family at 808 Whittlesey, St. Joseph.

Giants Grab Game Lead; Lions Win, 13 To 7

N.Y. Beats Eagles In 28-24 Game

Browns Eliminated From Title Chase

By ASSOCIATED PRESS

The Cleveland Browns were eliminated Sunday from the Eastern Division title chase, but they still have a lot to say about the winner.

The Browns oppose the Giants next Sunday in Yankee Stadium at National Football League games play their final regular season games. The Giants defeated Philadelphia 28-24 Sunday to gain a game lead in the Eastern Division.

The second-place Eagles are at Detroit Dec. 17 and could force a playoff if they beat the Lions and the Browns topple the Giants. Dec. 24 has been held open as a playoff date.

The championship match is scheduled for Dec. 31 at Green Bay with the Packers meeting the Eastern winner.

The Browns dropped out of the race in a 17-14 upset by the Chicago Bears.

PACKERS JOLTED

The Packers were surprised 22-21 by the San Francisco 49ers, who are battling the second-place Lions for the right to represent the Western Division in the Bert Bell Memorial Bowl for the conference runnerups at Miami, Fla., Jan. 6. The Lions hold a one-game margin over the 49ers, who wind up at home against Baltimore Saturday.

Charlie Conerly was the key in the Giants' squeaker over the Eagles. The 40-year-old quarterback, a bench-warmer most of the season, replaced Y. A. Tittle when the Giants' attack bogged down in the second period and the Eagles leading 10-7. He threw three touchdown passes. Before he left the game, Tittle also hit Del Shofner with a 46-yard payoff aerial.

JURGENSON HOT

Sonny Jurgenson also tossed three touchdown passes for the Eagles, two to Tommy McDonald, and altogether picked up 367 yards in the air for an NFL single season record of 3,220 yards in passing. Johnny Unitas held the mark of 3,099 yards, made last year in 13 games.

The Bears came from behind for their triumph with Roger Le-Clerc's nine-yard field goal with 3:30 left deciding the issue. Lou Groza kicked both the extra points for Cleveland to set an all-time career scoring record of 826 points.

In other games Sunday, Pittsburgh defeated Washington 30-14 to run the Redskins' non-winning streak to 23 games over two seasons (they tied twice); St. Louis walloped Dallas 31-13 and Detroit got past Minnesota 13-7. Los Angeles beat Baltimore 34-17 Saturday.

Bobby Layne, Pittsburgh's veteran quarterback, got back into the good graces of the Steelers fans when he tied Sammy Baugh's all-time league record of 187 touchdown passes in a career. He fired four in the Steelers' easy triumph.

John Brodie of the 49ers connected for 19 of 29 passes for 328 yds. R. C. Owens caught seven of them for 127 yards.

Rookie Bernie Casey from Bowling Green caught five for 118 yards and scored the opening touchdown on a 51-yard play with Brodie as the rifleman.

With two minutes remaining and Green Bay leading 21-19, halfback Abe Woodson ran a kickoff back 46 yards to set up the winning 14-yard field goal by Tommy Davis.

Green Bay end Max McGee suffered rib bruises when he crashed into a goal post while catching a touchdown pass. Lombardi said he did not know if McGee could play in the season closer next Sunday in Los Angeles, but added the end would be ready for the championship game.

TOUCHDOWN PASS IN HAND: Del Shofner (85), New York Giants end, reaches up to grab touchdown pass from back Y. A. Tittle in first quarter of Giants-Philadelphia pro football games in Philadelphia. Shofner was accompanied by referee on run to goal line. Giants won, 28-24. (AP Wirephoto)

More Bowl Games Next Saturday

Syracuse Clashes With Penn State

By THE ASSOCIATED PRESS

Chapter One of this year's bowl saga is over and Chapter Two of the ever-lengthening series is coming up this weekend in Philadelphia and Houston.

In Philadelphia's Liberty Bowl, Syracuse, led by All-America halfback Ernie Davis, tackles a hot Miami (Fla.) University team. The third Bluebonnet Bowl game will be placed in Houston's Rice Stadium, pitting Kansas against Rice.

Both games will be nationally televised.

There are still plenty more to come, continuing Dec. 24 with the North-South game in Miami. The following seven days will be crammed with Bowls and all star games.

TRY AGAIN IN '62

The debut of the Gotham Bowl this past weekend was a 24-9 success for Baylor's Bears over previously unbeaten, but once-tied Utah State. The promoters say they'll be back for more in 1962.

Syracuse, with Heisman Trophy winner Davis the big selling point, brings a 7-3 record to the Liberty Bowl against the Hurricanes. The Florida team won its last five games, and also finished with a 7-3 mark.

Kansas brings a 6-3-1 record against Rice's 7-3, but the Jayhawks John Radl, a jack-of-all football-trades, gives them a slight edge over the Southwest Conference Owls. A capacity house of 76,000 is expected.

In other games over the weekend, New Mexico's strong running game powered past Western Michigan 28-12 in the Aviation Bowl at Dayton, Ohio; Pittsburg (Kan.) State won the NAIA title in the Camellia Bowl, at Sacramento, Calif., beating Linfield (Ore.), 12-6; Florida A&M's Rattlers squeezed by Jackson (Miss.) State for the mythical national Negro collegiate title in Miami's Orange Blossom Bowl, 14-8; Ft. Eustis defeated the Quantico Marines 25-24 for the inter-service title in the Missile Bowl at Orlando, Fla.; and in the Junior Rose Bowl at Pasadena, Cameron (Okla.) Junior College beat Bakersfield (Calif.) Junior College 28-20.

SCORES 5 TOUCHDOWNS

Billy Cannon Explodes

By HAROLD V. RATLIFF
Associated Press Sports Writer

There was some question in early season whether Billy Cannon, the Louisiana State All-American who had been no ball of fire in his first year of pro football, would make the Houston team.

Cannon scored five touchdowns, rushed for 216 yards to break the league one-game record and caught passes for 114 yards Sunday as the Oilers beat New York 45-21 and held the lead in the Eastern Division of the American Football League.

As a result, Houston clinched no worse than a tie for the title and became prohibitive favorite to take it all since now only lowly Oakland remains to be played.

That would set up a repeat of last year's championship game in which Huston beat the Los Angeles Chargers, now San Diego. San Diego, which already has the Western Division championship, beat Buffalo 28-10 while Dallas bashed Denver 49-21 in other Sunday AFL games.

Boston, which whipped Oakland 35-21 Saturday night, remained a game back of Houston in the Eastern Division race and could tie for the championship if the Oilers falter next Sunday at Oakland and the Patriots nip San Diego.

It was something of a novelty to see somebody take the play away from busy George Blanda, the Houston quarterback.

But it so happened that Cannon had the finest individual day of the year. Cannon's 216 yards rushing wiped out the 158-yard record set by Abner Haynes of Dallas Nov. 26 against Oakland. The five touchdowns tied the record for one game hung up by Haynes on the same day.

San Diego had trouble with Buffalo but called on its defense to overcome a 10-point deficit, then had Jack Kemp come off the bench and pass it to safety.

The Dallas-Denver game was a so-what affair since neither club is going anywhere.

'L' Boys Stop Viking Threats

By JERRY GREEN
Associated Press Sports Writer

DETROIT (AP)— A blocked field goal...a pass interception... a fumble recovery...an end zone pass batted away in the dying seconds.

These elements of defensive play —the weapon that has carried the Detroit Lions all season—accounted for their 13-7 victory Sunday over the Minnesota Vikings. It kept them in second place in the National Football League's Western Division.

Dick (Night Train) Lane and Dick LeBeau, defensive halfbacks, led the Lions' ball - hawking bandits. Lane blocked a field goal attempt that started the Lions to their only touchdown. He intercepted two passes, returned one 32 yards to set up a tie - breaking field goal that sent the Lions ahead to stay.

LE BEAU SHINES

The oft - criticized LeBeau halted two drives which could have resulted in a winning touchdown in the final five minutes for Minnesota.

He recovered Fran Tarkenton's fumble at the Lion 12. And minutes later, as the Vikings drove against the clock, LeBeau batted a pass out of Jerry Reichow's hands in the end zone. A play later LeBeau made a vital tackle.

The offense, except for two brilliant plays, had Wilson muttering to himself.

Earl Morrall earned his first start at quarterback since Oct. 15 and simply couldn't move the Lions. Jim Ninowski took over early in the second period. He guided the Lions on only one sustained touchdown drive.

After Lane blocked Mike Mercer's field goal bid, Ninowski took the Lions to a 7-0 lead 11 seconds before halftime. He passed 55 yards to Gail Cogdill, moving the ball to the 7. Then Ninowski flooded the left flank, saw all his receivers were covered and circled around to the right and into the end zone.

VIKINGS MARCH

The Vikings retaliated by marching 72 yards in 13 plays after the second half kickoff. Tarkenton passed the final two yards to Hugh McElhenny.

Lane's pass interception and long return put the Lions in position for Jim Martin's 43 - yard field goal that sent them ahead 10-7 in the third quarter. Martin added a 23-yard field goal in the fourth period.

The Vikings then had two more golden chances to score. LeBeau thwarted both of them.

San Francisco, a game behind, is the only team left with a chance to tie Detroit for second. The 49ers play Baltimore Saturday. A San Francisco victory and a Detroit loss to the Eagles would create the deadlock and put th 49ers in the Jan. 6 Playoff Bowl at Miami. The 49ers would get the bowl spot because they beat and tied the Lions in their two 1961 meetings.

PREP BASKETBALL

Undefeated Teams Facing Tough Week

The way things are going, there may not be any undefeated basketball teams in southwestern Michigan this season.

After only two weeks of competition the number of schools on the unbeaten list has dwindled to an even dozen in this area, and by the end of the week there will be no more than 10.

The only team guaranteed of maintaining its perfect record through the week is Decatur, which is idle until a Dec. 19 battle against St. John's.

Pennville (3-0) faces the toughest job of keeping a clean slate, with two rugged tests within five days. The Black Hawks meet unbeaten Martin (3-0) Tuesday and play Howard Cook's tough Lawrence squad Saturday in the Hartford gym.

KEY BIG SIX TILT

The other battle of unbeatens takes place Friday when Buchanan (4-0), the Big Six favorite, meets a Dowagiac team that has won its only start so far. St. Joseph, the only other unbeaten Big Six squad, hosts twice-beaten Niles Friday.

Two Big Eight teams have escaped defeat so far, and both may make it through the week, although Lakeshore faces a serious threat Friday from New Troy. New Buffalo, the pre-season favorite, takes on winless Three Oaks Tuesday at the Bridgman court.

Benton Harbor will also be favored Saturday when the Tigers take a long northern jaunt to meet Traverse City (0-2) in a Lake Michigan conference test.

The area's other two undefeated teams—Bangor and Paw Paw—both can expect trouble in conference contests on Friday. The Vikings play host to Comstock in a KVA game, while Paw Paw takes on highly-rated Plainwell in a Wolverine scrap.

Rog Kaiser Wins Again For Tapers

Castoff Scores Decisive Points

By THE ASSOCIATED PRESS

Roger Kaiser, the All-America from Georgia Tech, is making a big difference in the Washington Tapers.

The 5-foot-11 hotshot, picked up by the Tapers after his release by Chicago of the National Basketball Association, won his second game in a week for the Tapers in one of three American Basketball League games Sunday.

His 15-foot jump shot with 6 seconds left — his only points of the second half—gave Washington a 101-100 decision over the Los Angeles Jets.

In other games, the shooting of Johnnie Cox and Jimmy Darrow helped Cleveland widen its Eastern Division lead to 1½ games over Pittsburgh in the Pipers' 107-102 triumph at Pittsburgh; and Kansas City pushed its winning streak to seven, 97-89 over Chicago, and opened a five-game lead in the Western Division.

Washington blew a 12-point lead in the last nine minutes to the fine long-distance, three-point shooting of Larry Friend and Dan Swartz of the Jets. But Kaiser, who wound up with 17 points, had the answer.

Cox scored 42 points while Darrow hit 10 of his 16 points in the final period in the Pipers' victory. Connie Hawkins again led Pittsburgh with 26 points.

Larry Staverman hit 14 of 15 free throws and wound up with 22 points for Kansas City. Governor Vaughn led Chicago with 23.

Clemente's .351 Takes N.L. Crown

CINCINNATI (AP) — Roberto Clemente of the Pittsburgh Pirates, the 1961 National League batting champion, undoubtedly hopes he doesn't meet the same fate as teammate Dick Groat, the 1960 titleholder.

Clemente's league-leading .351 mark was confirmed Sunday with the release of the official averages. The final figures also showed that Groat slumped to .275 after winning the title with a .325 slate a year earlier.

Only 11 players hit .300 or higher among those eligible for the championship with 477 or more total appearances.

Vada Pinson of the pennant-winning Cincinnati Reds was second with .343. Then came Ken Boyer, St. Louis, .329; Wally Moon, Los Angeles, .328, Hank Aaron, Milwaukee, .327 and Frank Robinson, Cincinnati, .323.

Orlando Cepeda, San Francisco's big slugger ,won the home run crown with 46. He also had the most runs batted in, 142. Willie Mays, also of the Giants, scored the most runs, 129.

Other leaders were: runs—Pinson, 208; doubles — Aaron, 39; Triples—George Altman, Chicago Cubs, 12; stolen bases — Maury Wills, Los Angeles, 35; sacrifice bunts—Wills 13; sacrifice flies — Robinson 10 and longest batting streak, Robinson 19 games.

Michigan Sweeps Tilts At Toronto

ANN ARBOR (AP) — Michigan swept two hockey games with University of Toronto over the weekend.

The Wolverines won the opener Friday night 8-3 and came back Saturday night for a 4-2 victory. They now have a 5-0 season record.

Enright Can Start Clock Again

COLUMBUS, Ohio — Jim Enright, former sports editor of the The News-Palladium, will be glad to tell anyone the time of day from now on.

He'll just glance at a prized wristwatch that's been returned after almost two years of "lost time."

Enright, a Big Ten basketball official and sports writer for Chicago's American, lost the watch nearly two years ago while working an Ohio State game in St. John arena here.

The watch, given to him by former baseball commissioner A. B. (Happy) Chandler for serving as official scorer of the 1950-All-Stars baseball game, disappeared from the officials' dressing room.

Recently the watch was found by a custodian behind a ticket counter in the arena and was identified as Enright's by the inscription.

It was promptly returned to Enright, who said "I had given up ever seeing it again".

Bucks Take 4th Straight

KALAMAZOO — The Buchanan Bucks of the Bix Six scored their fourth straight win of the season here Saturday night with a 45-29 victory over Kalamazoo St. Augustine.

Tom Pelkey and Leroy Bobbitt shared scoring honors for the Bucks with 14 points each.

Tim McGuire was best for the losers with 11 points.

Four Big Ten Cage Teams Still Unbeaten

Drake Big Test For Cincinnati

By THE ASSOCIATED PRESS

Cincinnati, one of the Giants of college basketball, faces its first major obstacle tonight in a tough Drake team that has showed a big scoring punch in winning two games.

Cincinnati, defending NCAA champion and ranked second in the season preview Associated Press poll, chalked up its 28th straight victory with an 86-67 romp over Wisconsin Saturday.

Coach Ed Jucker then hustled from the afternoon game to personally scout the impressive Drake team that crushed Illinois College 110-48. It was the second straight for Drake and pushed its average to an even 100 points per game.

All other ranked teams in action came through on schedule, though Seattle, No. 10, got a scare from Idaho before pulling out a 69-68 decision.

Providence, ranked fifth, got another good performance from its two giants, 6-10 Jimmy Hadnot and 6-11 John Thompson, in a 75-51 breeze past St. Francis of Brooklyn. Hadnot had 28 points and 17 rebounds, Thompson 21 points and 18 rebounds.

Strong West Virginia added impetus to its drive for a national ranking with a 96-79 thumping of previously unbeaten Furman. Rod Thorn got 30 points as West Virginia took its fourth in a row.

Gent Leads MSU; Ohio State Romps

By The Associated Press

Top-ranked Ohio State has jumped to a winging start in the newly launched basketball season with a 4-0 record but three other Big Ten teams—Purdue, Illinois and Michigan State—also boast undefeated slates.

The Buckeyes journeyed to Winston-Salem and humbled third-ranked Wake Forest, 84 - 62, Saturday night while Purdue, Illinois and Michigan State recorded their second successive triumphs.

Purdue, finding added scoring punch in sophomore Mel Garland, defeated Detroit, 91-66; Illinois won at Oklahoma, 72-60, and Michigan State swept past Tulsa 90-70.

Iowa defeated Miami of Ohio, 75 - 58, and Minnesota pounded Southern Methodist, 70 - 56. Four other Big Ten teams stumbled to defeat, giving the conference an 18-10 edge over non-league rivals this season.

INDIANA LOSES

Indiana was stung by Kansas State, 88-78; Michigan lost to Butler, 69-61; Northwestern bowed at Missouri, 84-69, and Wisconsin found NCAA champion Cincinnati too tough, dropping an 86-67 decision.

Ohio State's classy senior trio of Jerry Lucas, Mel Nowell and John Havlicek led the Buckeye parade against Wake Forest. All-America Lucas poured in 23 points, Nowell scored 19 and Havlicek 18 in the one-sided game.

Garland became one of few teammates to outscore Purdue All-America Terry Dischinger in helping the Boilermakers defeat Detroit. Garland scored 26 while Dischinger had to settle for 23.

Michigan State had little trouble with Tulsa. Sophomore Pete Gent whipped in 25 points and four other teammates scored in double figures.

John Oosterbaan had 26 points for Michigan in a losing cause.

Tonight's Big Ten schedule finds Indiana at North Carolina, South Dakota State at Iowa, Denver at Michigan, Witchita at Purdue and Washington of St. Louis at Wisconsin.

WMU Loses Bowl Game

DAYTON, OHIO (AP) — Snow, sleet and rain failed to slow a flock of fleet-footed New Mexico backs and the Lobos defeated Western Michigan, 28-12, Saturday in the first annual Aviation Bowl.

New Mexico relied on halfbacks Bobby Santiago and Bobby Morgan to power its ground game that rolled to 339 yards rushing. Santiago, a 160-pound junior, was named back of the game.

WMU quarterback Ed Chlebek had a good day, completing 18 of 33 passes for 207 yards and one touchdown, but a key interception that was returned for a New Mexico touchdown put the Lobos out of reach.

Chlebek hit halfback Dave Cooke with a five-yard pitch that ended a 13-play 56-yard scoring march in the fourth quarter.

A sparse crowd of 3,694 watched the action-packed contest.

Redskins Sign Ron Hatcher

WASHINGTON (AP)—Michigan State fullback Ron Hatcher has become the first Negro football player ever to sign a contract with the Washington Redskins.

The 215-pound Hatcher was the Redskins' eighth National Football League draft choice and Washington coaches say they regard him as a fine prospect.

Hatcher said he had no feeling "one way or another," about being the first man of his race to become a member of the Washington team. "I'm here to play football," he said.

FULLMER KNOCK OUT PARET: Benny (Kid) Paret goes down for keeps in the 10th round of his unsuccessful effort to win Gene Fullmer's NBA middleweight championship in Las Vegas, Saturday. Fight ended at 2 minutes and 30 seconds of 10th round. (AP Wirephoto)

Pender Can't Be Bought Out Of Bout By Fullmer

BOSTON (AP) — Former middleweight champion Paul Pender today flatly refused Gene Fullmer's offer of $15,000 to let Fullmer get first crack at Terry Downes of England.

"I won't have any part of it," Pender said. "This is the first I've heard of it and it can be the last. I won't listen to it.

"Where was Fullmer when I was looking for him to fight me? He wasn't interested then. I'm not interested now."

Downes is recognized as champion in Massachusetts and New York and by the European Boxing union. He dethroned Pender last September in London.

Fullmer knocked out Benny (Kid) Paret in 10 rounds Saturday night to keep his cherished National Boxing Association portion of the world middleweight championship. Fullmer reiterated then that he wanted to meet Downes to clear up the disputed title.

Pender is slated to meet Downes in a third match, probably in Boston next March. He beat Downes in the first fight after winning his fractional title from Sugar Ray Robinson.

State Colleges On Point Sprees

By The Associated Press

The 100-point barrier was broken twice in Michigan small college basketball action over the weekend.

Lawrence Tech rolled up the most impressive total with a 106-86 rout of Northwood College.

Aquinas scored 59 points in the second half and coasted past Muskegon Junior College 101-79.

Northern Michigan stopped Marquette a bare two points short of the century figure while losing to the Warriors 98-60. Jim Kasbetsos led Northern scorers with 20 points.

In another game, Wayne State fell to Loyola of Chicago, 93-43.

It was a dark day for Western Michigan as the Broncos absorbed losses on two fronts.

They lost the Aviation Bowl football game to New Mexico State, 28-12, and Valparaiso edged WMU basketballers 82-77.

Other action saw Michigan Tech notch a 72-62 victory over a Northern State Conference foe, Moorhead, and Soo Tech roll over Detroit Tech 71-51.

MIAA teams had a rough night with out-of-state opponents.

Wheaton (Ill.) knocked off Albion 81-68 and Calvin was edged 70 73 by Taylor of Illinois.

Hillsdale grabbed an early lead and went on to defeat Olivet 78-51 in another non - conference clash. Cliff Turner was high scorer for the Dales with 22 points and Ed Donaldson had 20 for Olivet.

In MIAA action, Jim Vanderhill scored 31 points while helping Hope to a 93-74 victory over Adrian. Don Harned was top scorer for Adrian with 22. The Dutchmen are 1-0 in conference play. Adrian is 1-2.

In non-conference action, Ferris held on to defeat Wabash (Ind.) 57-53, but Wooster (Ohio) topped Alma 95-51.

YMCA Boys Set Records, Lose Meet

The Benton Harbor YMCA boys' swimming team set six records Saturday, but still lost to Grand Rapids in a meet at the local pool.

The visitors took a 44-25 victory to the Midget division, despite the efforts of Fred Jenkins, who set two team records and one pool record. Jenkins broke the 20-yard butterfly mark with a clocking of 13.9 and established team marks in the 80-yard individual medley and 40-yard free style. John Barlow was the only other Midget winner, taking the 20-yard free style.

In the Prep division the Harbor swimmers won every individual event, but had to settle for a 34-34 tie. Bob Van Antwerp took three firsts, lowering his own pool records by two-tenths of a second in the 40-yard breast stroke and three seconds in the 80-yard medley. VanAntwerp also won the 40-yard free style in 25.0.

Bob Fedders set a record of 30 flat in the 40-yard back stroke, while Dick Ball won the 100 free and Ken Marshall captured the 40 butterfly.

Grand Rapids swept the Junior meet, 56-12. The only Benton Harbor winner was Tom Smith in the 40-yard back stroke.

Wilt Slips To A Mere 55 Points

Scores 194 In Last Three Games

By THE ASSOCIATED PRESS

You'll pardon Wilt Chamberlain if the pace of three National Basketball Association games in 48 hours began to show on him.

After scoring a record 78 points Friday night and coming back with 61 Saturday afternoon, Chamberlain managed only 55 in helping the Philadelphia Warriors to a 118-109 victory over the Chicago Packers Sunday night. It gave him a weekend total of 194.

Cincinnati toyed with New York's hapless Knicks, 134-94 in the other Sunday game.

2ND HALF SLUMP

Only a letdown in the first half Sunday night kept Wilt from getting over the 200 mark. The Packers, with Walt Bellamy and Si Green leading the way, bolted into a 34-17 lead after one period and with Chamberlain held to 20 points, still led 59-51 at the half.

Then Chamberlain and the Warriors' fast break, triggered by Guy Rodgers and Al Attles, got going and Wilt added 35 points after the intermission. By the time the third quarter was over, Philadelphia had a 10-point lead and it was easy after that.

Jack Twyman, Oscar Robertson and Arlen Bockhorn did the heavy scoring for Cincinnati, with Twyman high man with 38 points. Bockhorn and Robertson each had 27. Richie Guerin led New York with 22.

Cincinnati has increased its night baseball schedule to 45 games under lights at home in 1962. The addition of Houston and New York to the league causes the increase.

Four Teens Shift Their Knift Target

Planned Victim Called 'Too Big'

DETROIT (AP) — Police said a 15-year-old boy told them Sunday he and three other youths killed an elderly woman who ran a candy store because their first planned robbery target was a big man.

"The guy was too big," Arthur Elmore, 15, was quoted as telling Det. Lt. Edward Jocque. "We decided not to tackle him."

Jocque said the man ran a beer store. He said the boys, Arthur, Larry Nietupski, Roger Briesmister and James Mullen, all 14, planned the beer store robbery Tuesday.

"Larry was going to grab him and I was going to stab him," Jocque quoted Elmore as saying. However, Jocque said, after the boys saw the size of the man they decided to rob Mrs. Lillian Ficht, 80.

DESCRIBES KILLING

The detective said the four entered her store and bought cigarets. He quoted Arthur as saying, "Larry grabbed her and said 'stab her' and I struck at her once. I don't know if it went in. I struck again. I felt the knife go in. Larry let her go and she started to scream."

With that, Arthur said, the four fled, taking no money.

Police said Roger told his parents and went to the police station, then implicated the others.

All were held for investigation of murder. Police said they would ask waivers today so that they may be tried as adults.

Three Hurt In Accidents

Mishaps Laid To Slippery Roads

PAW PAW — Three Van Buren youths were injured in a pair of Sunday morning accidents on slippery roads, according to Paw Paw state police.

Most seriously injured was 18-year-old Joyce Sanders, of rural Hartford, who was thrown from her car when it skidded and nosed into a bank alongside 68th street southeast of Hartford.

The girl was taken to Watervliet Community hospital with a fractured pelvis and face cuts and scratches. Her passenger, 16-year-old Robert Smith, also of Hartford, escaped with face scratches.

In another one-car accident, 21-year-old Donald Forrest of rural Gobles skidded off M-40 north of there, rolling his car over four times into a field. Forrest suffered three fractured ribs and a bruised forehead, police said, but was not immediately hospitalized.

Man Charged With Larceny

Robert Louis Gilbert, 27, 155 North Winans street, Benton Harbor, was arrested by Benton township police Saturday after allegedly admitting the theft of a purse from the Benton Heights Heating Co. last Wednesday. He was held on a felony charge of larceny from a building, pending confirmation by Asst. Prosecutor Quentin Fulcher.

Gilbert was traced by police as the same man who earlier applied for a job at the firm where the purse was stolen. The purse, from which he said he took $5, could not be located at the Paw Paw avenue site where he said he threw it, police said.

Loyalty Oath Is Ruled Out

Top Court Upholds Florida Teacher

WASHINGTON (AP) — The Supreme Court ruled invalid today Florida's loyalty oath as applied to teachers in public schools.

Justice Stewart delivered the unanimous decision, which found the state law unconstitutionally vague.

The ruling was given on an appeal by David Walton Cramp Jr., a teacher in Orange County, Fla., for nine years. He lost his job for refusing to take the oath.

Cramp said he was not a communist or a member of any organization believing in violent overthrow of government. His refusal to take the loyalty oath was based on the belief it violated constitutional guarantees of freedom of speech, thought and association; also the guarantees of due process and equal protection of law.

The Florida law requires all public employes to swear they are not communists and not members of organizations which teach violent overthrow of government. The law calls for immediate discharge of any public employe who refuses to take the oath.

Driver Is Arraigned

Pleads Innocent To Drunk Charge

Mrs. Ethel May Sheppard, 29, Route 3, South Haven, pleaded innocent when arraigned on a charge of drunken driving Saturday before Benton township Justice John S. Williams. She was released on $100 bond pending a date to be set for examination.

Mrs. Sheppard was charged by Berrien county sheriff's deputies Friday night after a two-vehicle crash on Red Arrow highway in Benton Heights. She allegedly crossed into the opposing traffic lane. She and three other persons received minor injuries.

Charged With Drunk Driving

Benton Harbor police booked Melvin Lewis Hall, 37, 452 Colfax avenue, on a drunk driving charge Sunday. Police charged Hall's car was weaving into oncoming traffic lanes on Main street and Colfax avenue before he was halted at Colfax and Bond street. Three other persons were jailed on drunk and disorderly charges during the weekend.

Farm Price Supports Called Sin

'Contrary To God,' Farm Bureau Head

By OVID A. MARTIN

CHICAGO (AP) — President Charles B. Shuman of the American Farm Bureau Federation today attacked federal farm price support and control programs as violations of divine law.

He said that by giving something for nothing through subsidies and by limiting individual initiative, these programs deny "the unmistakable pattern of God's plan" that individuals accept and discharge greater responsibilities.

Shuman took this position in a talk prepared for his organization's annual convention which opened yesterday and extends through Thursday. The farm leader has been a sharp critic of Kennedy administration farm policies.

"Some folks may call my speech a sermon," he said.

The Kennedy farm program envisions use of grower-approved measures to regulate farm production and sales to make them match demands without creating costly surpluses.

MIRACLE SEEKERS

Of farmers who favor such programs, Shuman had this to say:

"Too many farmers are still looking for a miracle-working law which will legislate prosperity into agriculture. They refuse to face the economic facts of life."

The Farm Bureau president predicted his organization will take a stronger stand at this convention against government intervention into agriculture than have previous conventions.

Shuman often has criticized farm controls on an economic basis, contending that they hurt farmers financially rather than help them. But in today's talk he went to great length to criticize them on a moral basis.

He argued that farmers should be free to operate under conditions which allow market demand for their products to determine prices, incomes and patterns of farm production.

SUPPLY AND DEMAND

"This is the law of supply and demand — an economic truth as well as a basic moral law," he said.

"When we turn to government to negate economic truth, and to avoid adjustments that are demanded by changing conditions, we are, in reality, rejecting God's law in favor of man's law," he said.

Shuman told a news conference the Farm Bureau would extend full support to the President in efforts to expand two-way foreign trade. This, he said, will require extension and possible liberalization of the reciprocal trade agreements act by Congress.

"But," he added, "if we are forced to fight farm proposals calling for stronger controls, we might not be in a position to render the President much assistance on the trade matter."

Man Injured In Head-On Collision

NEW BUFFALO — A Union Pier man was in "good" condition today at Doctor's hospital in Michigan City with injuries he suffered in a three vehicle crash near here Saturday.

Jessie R. Hollins, 26, of Union Pier, suffered a compound fracture of his jaw, a broken right arm, multiple face cuts and internal injuries. He was reported to be in critical condition Saturday night following his admittance to the hospital.

State police from New Buffalo said Hollins was driving north on US-12 when he veered his car to the left and struck a truck head on.

The driver of the truck, Alvin Deemer, 30, of Route 1, Cedar Lake, Ind., was released after being treated at the hospital for cuts and bruises.

A car driven by Judith Ann Wolavka, 18, of Wilson road, New Buffalo, brushed the rear of the truck when it was hit by Hollins car. She was not hurt, according to police.

No arrests were made.

Auto Peppered By Rotten Eggs

James Hicks, 1617 Lake View avenue, St. Joseph, reported to city police Sunday that someone threw rotten eggs at his parked auto. The car was parked near his home.

Gives Its Annual Children's Party

The annual Christmas party for children of employes at Wohler's IGA Foodliner was held Sunday at the Wohler residence at 1217 Orchard avenue, St. Joseph. There was a gift exchange with Santa paying a visit.

Mrs. William Wohler was assisted in serving by Miss Debra Ott and Miss Carolyn Wohler.

Next Saturday, teenagers will be entertained at a swimming party at the YWCA and will meet at the Wohler home later for pizza.

Forty-two of the 55 highest mountain peaks in the United States are in the state of Colorado.

GRISWOLD, HUTCHINS

Blast 'Corrupt' College Education

NEW YORK (AP) — Two of America's leading educators see the values of contemporary higher education as "desperately corrupted." Both put some of the blame on college presidents

Dr. A. Whitney Griswold, president of Yale University, said he believes that "we who hold the office (of president) spend so much time justifying what we're doing that we don't have time to do what we're justifying."

Dr. Robert M. Hutchins, former chancellor of the University of Chicago, asserted that university presidents too often were "the go-getting corporate type, preferably one who is accomplished in public relations."

Their performance, Hutchins continued, is judged "by the figures—by the amount of money that comes in, by the quantity of brick and mortar that is assembled, by the number of students that enroll, and in some places by the digits in the football scoreboard."

It was Hutchins who abolished varsity football at Chicago.

SEES HOPE

Griswold, expressing his views in a booklet, "The University," published by the Center for Study of Democratic Institutions, saw hope that the "service station concept of the university" might be on its way out.

In education, Dr. Griswold said, "the sales doctrine that the customer is always right" does not apply. He recommended that those who tried to interfere with academic freedom be reminded that "the doctor cannot help the patient who insists on making his own diagnosis."

He attributed some of the defects in current standards of education largely to the preparation of high school teachers, saying that "it's at the secondary school level that these values are most desperately corrupted."

TEACHING PROGRAM

The corruption, he said, proceeds from a "program . . . of teaching that really has the effect of repelling instead of attracting, the ablest teachers, those who would be the most likely to influence their students to go into the teaching profession."

As a remedy, he suggested better pay and conditions for teachers; training programs for high school teachers who wish to advance for college or junior college teaching; recruiting many more college-educated women for parttime and fulltime teaching, greater mobility for teachers in the last two years of high school and the first two years of college and better "liberal education" for all teachers.

Hutchins, president of the Fund for the Republic, expressed his views in a "comment" published with the interview of Dr. Griswold. The fund sponsors the group that published the interview.

BRUSSELS DEMONSTRATION: Brussels gendarmes use truncheons in battle with anti-United States demonstrators in front of the U. S. Embassy. An estimated 1,000 persons demonstrated in the Belgian Capitol against the United Nations action in Katanga. The marchers carried signs denouncing the United Nations, President Kennedy, and UN action. Demonstration was organized on the anniversary of UN Human Rights Declaration and sponsored by Kantangese Friendship association. See story on front page. (NEA Radiotelephoto)

Eichmann Writes Home To Family

NEW YORK (AP) — In letters to his family from an Israeli jail cell, convicted mass murderer Adolf Eichmann wrote not so much about the charges against him as about the things that concern every husband, father and grandfather.

The former Nazi officer's letters to Argentina, where his family now lives, were made public in this week's issue of Parade magazine.

"I wish to speak once more to all my loved ones. First I thank all of you for your sincere greetings which have really given me much joy," he wrote.

MESSAGE TO SON

To his son, Klaus, and Klaus' pregnant wife, Martita:

"I think much of all of you and hope that everything will come out well. Maybe you could arrange it such a way that you and Martita would move into the apartment at San Fernando during the absence of mama in order that the house may not stay empty. I send you greetings and kisses and think of you . . . I hope in the next few days there will be hearty congratulations and a second little girl."

Eichmann urged his sons to "be brave and sticks together like cement." He told his wife, Vera, ". . . Never lend money and never borrow money."

RECALLS EASTER

On a reminiscent mood, Eichmann thought of his 5-year-old son Ricardo (Hasi) and wrote to the family:

"I think in silent joy of our Easter celebration when Hasi again and again busily looked for Easter Eggs and then gave them to his mama. Little Hasi laughed and laughed and was excited over such a good Easter rabbit.

"In this way, a human being lives in joys of the past, like drinking from a spring which never runs dry."

An Israeli court convicted Eichmann today of playing a leading role in the World War II mass murder of six million European Jews.

Fifty-Five Die As Bad Storms Hit

Snow Shuts Roads, Flooding Reported

By THE ASSOCIATED PRESS

A new snowstorm came out of the Rockies today as winter smote the nation with disagreeable weather that included record subzero temperatures, road-blocking snow, flooding rains and shattering winds.

The weather was a factor in the deaths of at least 55 persons since a previous snowstorm crossed the Midwest Friday night.

Two major roads in eastern Arizona were closed by snow drifts measuring up to 22 inches. The new storm forced schools to close today in San Juan County in northwestern New Mexico.

Snow depths in New Mexico ranged from 8 inches in Raton to 20 at the Nageezi trading post in San Juan County.

HEADS SOUTH

Snow fell from northern Arizona into Wyoming and the Dakotas and eastward. Heavy snow, with accumulations of 4 inches or more headed toward Kansas, Nebraska, northwest Oklahoma and the northern Texas Panhandle.

One to 6 inches of new snow was expected in southwestern Oklahoma.

Sleet and freezing rain moved from New Mexico, across northern Texas, eastern and southern Oklahoma toward southern Kansas and southern Missouri.

Ice glazed major highways in the northern half of New Mexico, northern Texas and Oklahoma. Autos were lined up for 3 miles on the Turner turnpike east of Oklahoma City Sunday until trucks sanded the pavement.

Snow or snow flurries were in store for the upper Mississippi Valley, the northern Great Lakes region, parts of the Ohio Valley and New England.

RAIN IN SOUTH

Flooding rains fell on Louisiana, Alabama and Georgia.

A child drowned in a rain-swollen creek at Mobile, Ala., Sunday. Mobile reported 3.53 inches of rain in 12 hours Sunday. Small streams in the area were flooded. Tombigbee River at Jackson, Ala. was expected to crest 2 feet above flood stage today.

An inch to 1½ inches of rain fell in Louisiana and Mississippi, with minor floods in some places after weekend totals of 10 inches of rain.

Twelve persons were injured Sunday by a tornado that struck the southern Alabama town of Brewton, destroying seven houses and damaging 12 others.

'Lift Truck Operations' Is Topic

Safety Council Group To Meet

"Lift Truck Operations" will be the subject of the meeting tomorrow evening of the industrial division of the Twin Cities Area Safety Council. The meeting will start at 7:30.

Clark Equipment Co. will be host to the group at the Training Center, 619 Ship Street, St. Joseph.

Bob Bartlett, supervisor of technical training of Clark's Industrial Truck Division at Battle Creek will be the speaker, according to James Vance, chairman of the industrial division. Lyndon Myers, safety director of the Pipestone plant, arranged for the program because of the interest here in this phase of materials handling.

Safety Council records show that 80 per cent of all industrial accidents occur during work termed "material handling".

Vance said, "We feel that demonstrations and explanations of the contribution of Clark Equipment Co. to this phase of manufacturing will be of value to most industries in this area."

Reservations for any plant personnel to attend the meeting may be made by calling the Safety Council, YUkon 3-1569.

Gun Charge Jails Trio

Men Suspected Of Robbery Spree

PAW PAW—Paw Paw state police yesterday arrested a trio suspected of going on a robbery spree from California to Ohio.

Lodged in the Van Buren county jail on charges of carrying a concealed weapon are Brown, 38, and William Wilborn, 33, of Oakland, Calif., and George Roseman, 30, from Cincinnati.

Trooper Ernest Nash said he stopped their car on the I-94 Expressway for a triffic violation Sunday morning and found a 38-caliber revolver in the folds of a road map.

Since the arrest, police have been notified that the three men are wanted in Cincinnati on charges of armed robbery and receiving stolen property.

Nash said he's also interested in finding out when and where the gun he found had been shot, because, he said, "It's obviously been discharged and the prisoners are vague about details."

Plan Opera Program

Special Matinee For Students

"Amahl and the Night Visitors" will be presented at a special matinee for students by the Kalamazoo symphony orchestra at 4:30 p.m. Friday. Members of the opera's original TV cast will be featured.

Gregory Millar will conduct for this work by Gian-Carlo Menotti. The program will be presented in the Kalamazoo Central high school auditorium.

Prices are 25 cents for elementary and junior high (through grade seven); 50 cents for grades 8 through 12; and $1 for adults accompanying children (individuals or groups).

Tickets may be obtained by either calling the symphony office at FI 4-9278 or by mailing in the order with a self-addressed envelope with check. Tickets will be mailed out immediately. The address of the symphony office is 426 S. Park street, Kalamazoo.

Suspect Booked In Coats Theft

John Lee Alexander, 25, 759 Buss avenue, was booked by Benton Harbor police detectives Sunday for investigation of larceny. Detectives said Alexander is believed to have taken two men's overcoats from the emergency room at Mercy hospital Friday night.

Car Hits Tree; Father, Two Children Hurt

A rural Berrien Springs man and his two children escaped with minor injuries Sunday afternoon when their car went out of control on Hollywood road near John Beers road and rolled into a tree.

Lester Woodrow Laws, 45, Route 2, Berrien Springs, received a nosebleed in the crash, Berrien sheriff's deputies said.

His two children with him in the car, Thomas, 12, and Mary Ann, 7, were given emergency treatment at Memorial hospital for face cuts.

Laws said he was traveling south on Hollywood road when an oncoming car crowded him. He said he lost control of the car when he drove off the road on the right shoulder to avoid being struck by the other car, according to deputies.

Thief Steals Baked Ham

A thief robbed Mrs. Bessie Cuchinski, 275 High street, of her Sunday ham supper but she did get the platter back, thanks to Benton Harbor police. Mrs. Cuchinski told police she took the 11-pound ham out of the oven and placed it on a platter along with a carving knife and fork last night. She said she stepped into the living room, heard the back door slam and returned to find everything gone. Patrolman Lawrence Watkins located the platter nearby but the ham and carving tools had disappeared.

DECATUR DANCE

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

SOCCER POOL

Only 1 Winner For Lucky

ROME (AP) — Mr. Lucky wasn't so lucky this weekend.

Pier Giovanni Vallauri, the Turin chemical worker with the system for playing the soccer pools, had only one winning ticket paying 284,500 lire ($455.20).

It brought his total winnings this year from pools and the state lottery to $72,330.40, or more than 45 million lire.

Three Hurt In Weekend Accidents

Local Woman In Fair Condition

A 69-year-old woman hospitalized when she was struck by a car on East Main street Saturday was reported in fair condition today at Mercy hospital. She was one of three persons injured in Benton Harbor traffic accidents during the weekend.

Mrs. Lena Zeller, 725 East Main street, is undergoing treatment for a possible fractured pelvis at Mercy hospital. City police said she was struck by a car driven by Charlie Gaddis, 43, 251 Burton street, as she walked across East Main street at Benton street about 4 p.m. Saturday. Gaddis told police he was driving about 15 miles per hour when the woman stepped in front of his car. No summones were issued.

Will Moss, Jr., 35, 628 Baird street, was admitted to the hospital after his car crashed into a concrete pillar on Colfax avenue at Apple avenue, about 10 p.m. Saturday. Moss, reported in fair condition today, was treated for loss of seven teeth and mouth lacerations and later admitted. Police ticketed Moss for driving too fast for conditions.

Police said Alpha Goodell Goldtrap, 35, 1136 Doda street, incurred nose lacerations when his car struck the rear of a parked car owned by James Cody, 404 Washington street, on Riverview drive, Saturday night. Hospital officials said Goldtrap left the hospital without being treated. Police gave him a ticket for careless driving.

Boy Injured In Collision

Hospitalized With Facial Damages

A six-year-old Benton Harbor lad was listed in fair condition at Mercy hospital today with a possible broken nose and face cuts from an auto accident Saturday morning. He was identified as William R. Davis, son of Robert R. Davis, 35, 838 LaSalle avenue.

Davis' car collided at Territorial road and Crystal avenue with one driven by Oscar F. Radtke, 45, 452 Waverly drive, Fairplain. Radtke told Benton township police he pulled out from Crystal into the Territorial lane, thinking Davis was turning off Territorial. Radtke was given a summons for not yielding the right of way.

Also treated for minor cuts at Mercy hospital was another Davis child, eight-year-old Ray Vern.

Hal Boyle Walks In His Sleep

Hmm, What Does That Prove?

By HAL BOYLE

NEW YORK (AP)—Things a columnist wouldn't know if he didn't open his mail:

It costs you less now to bump a cloud than it cost your father a generation ago to go the same distance by road. Travel gets cheaper all the time.

One proof: a man paid 12 cents a mile to travel by stage coach in the Old West. No bus, air or rail service today could get coach customers at half that price.

Religion on the gain: One of the largest publishers of Christmas cards says that 35 per cent of the 3 billion cards sold this year will have a religious motif. The same firm says that 15 years ago less than 5 per cent of the cards sold had religious character.

Hal Boyle

How they started: Van Johnson was a real estate salesman. Bill Bendix a grocery clerk. Fredric March a bank teller. Marlon Brando an actor.

Our quotable Notables: "The only difference between a rut and a grave is their dimensions."—Ellen Glasgow.

Memo to John F. Kennedy: Some fellow has figured that America's hunters and fishermen traveled 13.2 billion motor miles in 1960. The same source estimated this amounted to 330,000 trips around the earth. He didn't estimate the distance in terms of knee-bends or pushups.

DOG TEST

Do you intend to buy a dog? A reader warns that many pups are born deaf and you should snap your fingers behind one before purchasing it. The only breed I knew that inherits deafness is the dalmatian, or spotted coach dog, and some say that might be a self-defense against the conversation it hears in fire houses.

Enough about dogs. What do you think about your boss? One survey found that a boss who props his feet upon the desk is the best and easiest to work for. My judgment: He might be the wisest boss, but the hardest to work for—because he could exercise his leisure to make the hard and right decision.

On to the problem of women: Another so-called scientific survey claims to find that wives who sleep the soundest have the most affectionate husbands.

Boyle walks in his sleep. What does this prove?

GOOD ADVICE

Signs to live by: This one is from the bumper of the car ahead: "Careful, I'm not as good a driver as you think you are."

Items to live by: There are more lady than men dentists in Athens, Greece. Neuclophobia is a new word coined to describe fear of the atomic age. If you send a buck to CARE, N.Y. 16, N.Y., you may feed abroad for a month a family of four you will never see.

It was George D. Prentice who observed, "there are two periods when Congress does no business: One is before the holidays, and the other after."

DINNER PLANNED

HARTFORD — The Hartford Bunco club's annual Christmas dinner will be in the Bamboo room of Hartford House at 7:30 Tuesday evening. A gift exchange at the home of Mrs. Frank Cotman, Jr., will follow the dinner.

Plan Adult Education

Hartford Classes Will Start Jan. 3

HARTFORD—Courses in adult education will be offered at the Hartford high school starting Jan. 3 with the following subjects: Radiation and fallout, United States history, Michigan history, Spanish, men's recreation, geography of Europe, farm shop, and selection and construction of children's clothing.

Registration can be done by telephone at the high school office before Jan. 3. Principal Arvon M. Collins said.

The classes will meet one night a week for 10 weeks, with a fee of $10 for each course. A minimum enrollment of 10 students per class is needed.

TO SEE TRIMMINGS

DECATUR — The Decatur Study club will take a Christmas decoration tour Thursday from 1:30 to 4:30 p.m., with the public invited. Homes to be visited are Mrs. Dari Sink, Mrs. Ward Vliek, Mrs. Dalton Kinney, Mrs. Robert Sundin and Mrs. Edward Koops. Some refreshments will be served at Webster Memorial library.

HOLLYWOOD TODAY

MOVIES - TV - RADIO

by Erskine Johnson

LONDON — Things were jumping at the bar of The White Elephant when someone elbowed us, saying "Meet Albert Finney." Wedged into the four-deep mob of actors, agents, writers and producers we were at a disadvantage—and so was Finney. There was a gorgeous blonde attached to his sleeve who kept insisting:

"Albert, dahling, I'm hungry."

Finney is the rugged young British actor who won stardom in "Saturday Night and Sunday Morning" to a U.S. critical chorus, "another Marlon Brando."

In person, Finney looks even more like Brando—and fields personal questions about himself like Brando. The words, in other words, flow like glue except when he's talking about his work — doing "Martin Luther" on the London stage, starring next in "Tom Jones," a film about 18th century England, and then going into three films for producer Sam Spiegal.

Everybody here says Finney is No. 1 of England's angry young men — so I just asked him. There was a long eyes-half-closed-Brando pause before Finney said:

"I don't think so but then . . ."

"Albert, dahling, I'm hungry," the blonde repeated. Finney's shrug matched the "some other time" look in his eyes — and the blonde led him away to a table for two. Maybe hungry blondes are responsible for angry young men.

Not in the script on "The Road to Hong Kong":

Protesting and resisting all the way, Bob Hope was led by two burly characters into a rocket ship destined for a flight to the moon. As he continued to protest, he was strapped into a spaceman's chair. Just as his head was about to disappear into a fish-bowl-like helmet to his last yells of "You can't do this to me," Hope broke up the company with the ad lib:

"I bet this is the way both of those Russians went."

Now it can be told that Maximilian Schell turned down the chance to play the role of Christ in "Kings of Kings."

He explains: "I couldn't get excited about the way the script was written but if I had a deeper reason. I don't believe any actor is capable of playing Christ." . . .

Never on any day of the week do film stars receive the type of fan mail Melina Mercouri has been opening from "Never on Sunday" fans. As she describes it:

"The letters are written as though they are to a friend, not to a star." . . .

Hartford Lodge Installation Set

HARTFORD—Florida Lodge No. 309, F.&A.M., will install officers at 8 o'clock Tuesday evening, with friends and family of the members invited.

Vote $25 For Missionary In Japan

BARODA — The Women's Missionary Society of the Baroda Church of God voted to send $25 to the missionary in Japan when it met recently at the church.

Mrs. Merium Blythe offered devotions. Her topic was "No Room at the Inn".

Mrs. Leon Hartwig, director of missionary education, told the group how the people of Egypt, Arabia, Africa, Costa, Rica, and Puerto Rico commemorated the birth of Christ.

Stewardship chairman, Mrs. Neal Forrester, told the group the socks, gloves, yard goods and linens had been mailed to the Indian missionary station in Alliance, Neb.

During the social hour, the women made tray favors for a local convalescent home.

The next meeting will be on Jan. 2 at the church.

NEWS OF THE MARKETS

Industrials Lead Wall Street Rise

NEW YORK (AP)—Industrials moved forward in response to strong investment demand and gave the stock market a substantial gain despite some profit taking early this afternoon. Trading was heavy.

The Associated Press average of 60 stocks at noon was up 1.10 at 266.20 with industrials up 1.40, rails up .20 and utilities up .20.

Gains of fractions to a point among pivotal issues outnumbered losers in the same range.

Steels, motors and some oils were bought heavily, reflecting institutional interest. The leading tobaccos, some airlines and rails also improved.

The picture was spotty among chemicals, electrical equipments, nonferrous metals and drugs.

Reports of continuing strong demand for steel combined with general optimism among market analysts as background factors in the advance.

American Telephone touched a new high at the opening and bettered it as the session went on, showing a gain of well over a point. Irregularity prevailed among other utilities. Houston Light & Power added around 4.

Xerox added more than 7. Korvette ran up more than 2. Woolworth advanced 2.

Merck spurted about 3 while other drugs were unchanged to lower.

The Dow Jones industrial average at noon was up 3.32 at 731.55.

Prices on the American Stock Exchange were mostly higher in heavy trading.

Corporate bonds were mixed. U.S. government bonds showed slight change in quiet trading.

Driver Cited After Auto Hits Tree

Rudolph Schlipp, 54, Route 3, Benton Harbor, declined treatment for a lacerated upper lip and possible bruised ribs early today when his car struck a tree on US-31 about a half mile south of Lake Michigan Beach.

Berrien county sheriff's deputies said an ambulance was dispatched to the accident but Schlipp refused to go to the hospital.

Deputies issued him a summons charging him with failure to have his car under control. They said he apparently fell asleep at the wheel. The car left the road and struck a tree 24 feet from the edge of the pavement, deputies said.

Broker Advises Widow To Start Mutual Fund Program

By SAM SHULSKY
Author, "Stock Buying Guide" and "Investing for Retirement"

Q. I am a widow of 56 with $15,000 in E bonds. I will have a small income when I retire. A broker has suggested that I put $1,300 into a growth fund and $100 a month thereafter. At the end of 10 years I will have $25,000 to $30,000 to reinvest in income securities. Would this be a good deal for me?

A. There is no reason why you couldn't begin a mutual fund investment program. Whether you'll have $25,000 or $30,000 in capital in 10 years, or $15,000 or $8,000 is something no one can foretell.

However, I do agree that you ought to begin to acquire securities over the years until retirement. Be sure though, you don't bite off more of a program than you can comfortably chew.

$1,000 BEQUEST

Q. My daughter wants to invest a bequest of $1,400. She is 32, employed, has E bonds and savings and insurance. She is very conservative and concerned about losing money in stock buying. Would a mutual fund be an idea?

A. It sounds to me like an excellent idea.

The investment of the $1,000 is in itself not too important. It can be put into a mutual fund, or into some shares of a good growth stock.

What is important is that, having built a foundation of savings and insurance, she should begin to acquire equities. If she's afraid of the market, pick a mutual fund aimed at growth, with income secondary.

NO COMMISSION

Q. I own 94 shares of Massachusetts Investors Growth Fund. If I were to sell what commission would be charged?

A. No commission. The original buying fee includes the cost of sale.

Q. I bought some over the counter stock and was billed $33.50 a share. A financial publication said the high for the year for 938. The broker said the publication is wrong and the publication admits it could be "off a fraction." I asked the SEC how to find what any given stock is sold at, at any given hour and day and was told there is no such check. Can a broker over-charge that much?

A. You don't give the name of the stock or the date of the transaction so I'm unable to give any particular help.

Generally, though, the SEC answer is correct — there is no such check what a counter stock sold at yesterday afternoon. Transactions are not carried out on the floor of an exchange, but in private telephone discussion between two brokers. I'd say a 5½ point spread was pretty wide, though, and I think the broker ought to be prepared to prove, via the over-the-counter "sheets," that the price of 33½ lay somewhere within reasonable bounds.

Simoniz Co. Promotes Researcher

CHICAGO—Henry C. Geen has been elected to the new position of vice president of technical research for Simoniz Co.

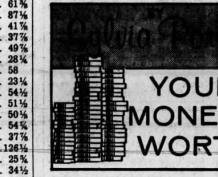
Geen had been director of technical research prior to his election as an officer of the company. He joined Simoniz in 1956 after ten years as a consultant in polymer chemical applications and new product development.

Among the eight U. S. patents Geen holds is that for fluorocarbon leveling agents for floor polishes. He is co-holder of the basic patents for silicone polishes, the basis for virtually all modern furniture and Henry Geen automotive polishes.

Geen was born in Denver, Colo., and spent the bulk of his business career in Grand Rapids. They live with their two children in Hinsdale, Ill.

Today's Weather Map

Showers are forecast for the Pacific coast. It will be colder from the Ohio valley eastward to the Atlantic and southward to the Gulf coast as well as from the Plateau area westward to the Pacific coast. (AP Wirephoto Map)



TAX HINTS FROM THE 'CHIEF'
(First in a series of five)

Mortimer Maxwell Caplin is his name and, although probably few of you have ever heard of him, most of you would prefer to have no personal or business dealings with him whatsoever and you have a built-in antagonism for much of what he represents.

For Mortimer Maxwell Caplin is the U.S. Commissioner of Internal Revenue and, as chief officer of the world's largest tax collecting agency, he'll direct the handling of nearly 100 million tax returns filed by us through which we'll hand over about $100 billion of our earnings and incomes to the federal government in the 1962 fiscal year. His is hardly a popular role.

When Caplin was in New York this past week, I interviewed him for several hours on his views, hopes, programs. Out of this talk came practical guides and warnings which can save you considerable cash, heartache and trouble if you heed them. For instance . . .

If you're a housewife employing domestic help and not paying the proper social security tax due on your employe's wages — and many of you aren't — get honest this year, start paying what's owed now. If you do so, you'll be "forgiven for your past sins."

DOMESTIC EMPLOYES

If you're a domestic employe who has been ducking paying income tax on your earnings — and large numbers have been — do the same, get honest now. Even if you have a long record of tax evasion, this step will put you in the clear.

If you're a taxpayer who has failed to report and pay taxes on dividends and interest received — and huge numbers have also — do the same, get honest now. You'll be forgiven.

If you're a taxpayer who has been cutting corners on your expense account — and millions have been — be warned. This is one area on which Caplin is determined to concentrate and, whether or not a new law is passed, the IRS has plenty of ammunition in its arsenal with which to battle against tax abuses here.

If you're a businessman who has been understating the value of your inventories in order to cut your tax debt — and there have been widespread "manipulations" in inventory reporting — look out. A major crackdown is under way, and the quicker you get honest, the better for you.

If you're a taxpayer who is convinced you're being taxed unfairly, don't be timid about fighting. Caplin is eager to inform you about your rights, wants you to use them.

YOU CAN GET HELP

If you're an average taxpayer needing assistance on how to file a return, seek help at your nearest district director's office. The IRS is expanding and improving services to all taxpayers.

In this week's columns, I'll elaborate on each of these points and others of obvious broad-and-butter concern to every American. First, though, what sort of man is the new commissioner?

The answer is that he is typical of what is increasingly identified as the "Kennedy type". Age 45 . . . Phi Beta Kappa, University of Virginia, 1937, and top in his class when he graduated from University of Virginia Law in 1940 . . . Intercollegiate boxing champion, a member of the Virginia Players as an undergraduate, excellent swimmer who also likes to play tennis, ski, 'ride, bowl . . . World War II Navy, who was a beachmaster at Omaha Beach on D-Day . . . Married and father of five young "productions", aged 2 to 14 . . .

Professor of tax law at Virginia for 10 years prior to his appointment as commissioner, who had as students two of the President's brothers, Robert and Ted Kennedy . . . Slender, medium-height, dark hair, high forehead, a quick smile, exceedingly vocal, an expert among expert among experts and loaded with charm.

Despite it all, as a taxpayer who has had a sizable share of disallowances from the IRS over the years, I approached our talk with understandable wariness. Much of what Caplin said was startlingly realistic, practical and reassuring.

As an illustration, read tomorrow's column directed to housewives and domestic employes who have been evading taxes and to taxpayers who have failed to report dividends and interest received.

Leads Drive In St. Joseph

Named To Direct March Of Dimes

The 1962 New March of Dimes chairman for the City of St. Joseph is Joseph D. Mackin, president and general manager of WSJM, Inc. Mackin's appointment was announced by Berrien County chairman, Charles F. (Bud) Kerlikowske.

Mackin and his wife, who live at 2912 Morton avenue, St. Joseph, are the parents of six children — ranging in age from six to 17.

A graduate of the University of Wisconsin, Mackin is a member of the Kiwanis club, Berrien Hills Country club, Knights of Columbus, and a director of the Berrien County Cancer society.

Mackin was publicity chairman for the 1958-59 March of Dimes in Wisconsin.

"Your dimes will do it again," said Mackin "in the fight against crippling diseases. Now that polio can be controlled with the Salk and Sabin vaccines. The National Foundation has turned its research toward helping victims of birth defects and arthritis. Please say "yes" to the 1962 New March of Dimes."

Tot Okay After Asthma Attack

Benton Harbor police took Frankie Taylor, 2-year-old son of Fanny Bell Smith, 404 Paw Paw avenue, to Mercy hospital Sunday night after the tot suffered an asthma attack. The boy was released after treatment.

IN HOSPITAL

Miss Marilyn C. Miller, 14-year-old daughter of Mr. and Mrs. Robert Miller, 999 Pipestreet, Benton Harbor, entered Memorial hospital, Friday for surgery. She will be in the hospital for several more days.

Hot Pipe Starts Basement Blaze

A cardboard box filled with brickabrac caught fire in the basement of the Edward Splese home, 191 Hastings street, Saturday. Benton Harbor firemen who put out the blaze said damage was minor. The box was ignited by a hot chimney pipe, firemen said.

Jaycees Conduct Community Survey

Members of a St. Joseph-Benton Harbor Junior Chamber of Commerce committee check returns from a big community development survey started last month. Checking returns at desk are (left to right) Jay Sterling, director; Duane Davis, co-chairman, and Ronald Goodwin, vice president. Committee members (standing, from left) are Joseph Geary, David Johnson, George Westfield and Ben Gagliardo. Co-chairman Donald Fales and Thomas Totzke were absent. Sterling said about 2,000 of the 4,000 questonnaires mailed out were returned, a comparatively high percentage in that type of survey. Business and civic leaders, the general public and school teachers and students were polled for their views on a variety of public issues in the twin cities area. They range from con-solidation of governmental units to location of I-94 feeder routes. Results will be coded and tabulated on calculators and specific opinions of those polled noted by committee members. A report on the survey will be made public at the Jaycees' annual bosses night dinner in February. (News-Palladium photo)

Mansfield Speaks On Wednesday

Senator To Address Area Economic Club

Philip A. Sprague, president of the Hays Corp., Michigan City, Ind., will introduce Sen. Mike Mansfield, majority leader of the United States Senate, when Mansfield addresses the Economic club of Southwestern Michigan Wednesday evening in St. Joseph.

Sprague is currently serving as president of the Instrument Society of America.

Senator Mansfield will address Economic club members on "Our Foreign policy".

In addition to being majority leader of the Senate, the Montana senator is well qualified to discuss the foreign policy of this country since he has a major role in shaping it as chairman of the Senate's Foreign Relations Committee.

Sen. Mansfield will arrive early Wednesday afternoon in Chicago and will be driven to the twin cities in time for his appearance before the club. The dinner is scheduled for 6:45 p.m. Wednesday in the Tropical Room of the Hotel Whitcomb, St. Joseph. Sen. Mansfield will leave early Thursday for Florida.

Only car with the best features of big cars and compacts

MERCURY METEOR
The beautiful balance between big cars and compacts

HANDLES LIKE A COMPACT . . . ROOMY AS A BIG CAR!

TURNS, PARKS, HANDLES like a compact. Turning radius is: 19¾ ft. Wheelbase: 116½ inches. Over-all length: 203.8 inches. Yet inside it . . .

EQUALS THE ROOM in most big cars. A six-passenger car without qualification. The vacation-size trunk (31.5 cu. ft.) actually tops some big cars.

PRICED LIKE A COMPACT . . . LUXURIES OF A BIG CAR!

LOW INITIAL PRICE like compacts—actually below several. Yet the new Meteor is quality-built throughout, so luxurious in every detail, it has . . .

DE LUXE APPOINTMENTS, even the driving convenience of an ammeter and oil-pressure gauge. Power steering and power brakes are also available.

SAVES LIKE A COMPACT . . . PERFORMS LIKE A BIG CAR!

TWO THRIFTY ENGINES to choose from. Pick the "6" or new top-performance 221 V-8. Either way, you will enjoy compact-car gas mileage, plus . . .

A BEAUTIFUL BALANCE between power and weight (less than 3,000 lbs.) to deliver brilliant performance for cruising, hill climbing and passing.

. . . PLUS ALL THESE OTHER FEATURES!

MORE RIDE ADVANCES than any car near its price. These include Cushion-Link Suspension, and a new type of unitized body ("torque-box" design) that checks vibrations before they can reach the passenger compartment. The result? The first car that handles like a compact yet rides like a big car: smooth, solid, quiet.

ROUTINE SERVICE ONLY TWICE A YEAR or at 6,000- to 30,000-mile intervals. The Mercury Meteor is quality-designed and built to save you money every mile and every month. See it, now on display at your Mercury dealer's showroom.
